Use of Pavilion At Polo Grounds Granted Rogers

Council Agrees to Proposal With Certain Restrictions; Sale of Season Tickets Begun by Tenthouse Theater Producer; Other Events Provided For

City council this week voted to allow the Tenthouse Theater group to use the Polo Grounds Pavilion for a 15-week season beginning in January, with the following conditions in the license agreement:

Before the season opens Producer Herb Rogers must sell 1000 season tickets. The tickets will sell for \$15 and admit the owner to 10 performances.

The city must be paid 10 per cent of the gross income of the shows after taxes have been paid. After giving Rogers two weeks notice, the council may reserve use of the pavilion for other events for a maximum of 12 show nights during the 15-week period.

THE CITY will provide lights, heat, power and janitorial service for the company during the run.

Rogers agreed to all of the terms. Councilman Earle Strebe was the lone dissenting vote as the group accepted the terms of the agreement which was prepared by city Assistant Attorney Warren Slaughter and City Manager Russell Rink.

There will be a meeting of all local people who are interested in insuring the success of the Tenthouse Theater this season at the Polo Grounds Pavilion Sunday at 3:30 p.m. Herb Rogers, Tenthouse producer announced this week.

Strebe argued that the rental would not be high enough to meet costs if the city was to provide all services along with use of the hall. He also said that the pavilion would become a "one purpose" building for the 15 weeks since the cost to the city of converting the theater for other events would be prohibitive. Strebe felt that there were other auditoriums in the downtown area which could be used by the Tenthouse company.

AT AN EARLIER MEETING Rogers said that last year's location in a tent at Palm Canyon drive and Ramon road was unsatisfactory because of the cold. The Tenthouse presentations are unique in that the audience surrounds the stage in a "theater in the round" arrangement. Rogers said he would present new shows each week. Shows would include plays such as Born Yesterday, Clutterbuck, The Glass Menagerie, The Philadelphia Story and Chelety's Aunt. The company is presently playing in eastern and southern hotels.

NO MORE PROBLEMS
My troubles are ended.
No problems to bother
Like a sinkful of dishes
Confronting poor father.
No longer to ponder
The wash or Chetley's chance
That maybe if lucky
There will no ants.
That hassle is over,
I'm feeling quite gay.
To heck with the housework.
Mrs. G's home today.

Last official act as a bachelor was to take four can openers from the refrigerator where I had put them to cool off, give each another service stripe, retire them honorably, one last check to see if everything looked o.k., at least, on the surface... and then doff all cares.

IN PALM SPRINGS are two women with the same name and the same occupation. As a result one of them is answering a lot of questions needlessly. Last week a woman whose name is Lee Taylor and who is a waitress, filed suit for some \$25,000 because she was bitten by a dog. Since then Lee Taylor, who is also a waitress, has been denying that she was ever chewed by a dog and that she does not have a permanent scar. The two Lee Taylors, both waitresses, are not related and practically do not know each other. Any way, the Lee Taylor at the Village Pharmacy Coffee Shop wants it known that she has never sued anyone in her life and is not contemplating one now. It was the other Lee Taylor.

COLLIS MAYFLOWER says there are too many places designated with names including the word Palms. He mentioned Palm Springs, Palm Desert, Palm Village and the like. There's one less for him to worry about. This week Palm Village of

See THIS SIDE, Page 10

Local Church Left Fund in Kidston Will

Bulk of \$8,000,000 Estate of Winter Resident to Charity

Palm Springs Community church was bequeathed \$10,000 in the will of William H. Kidston, 73, prominent winter visitor who died November 5 in Presbyterian hospital, Chicago. His will, filed for probate last week in Chicago, revealed that the well known Village home owner who has been coming to Palm Springs since the early 30s, had left an estate valued in excess of eight million dollars. Bulk of the estate went to charity.

BESIDES THE LOCAL church, another bequest was made to a Village organization, the local Boy Scouts. They were given one per cent of the residue of his extensive estate after distribution of specifically named amounts.

Among the largest assets of the estate were extensive holdings in Union Carbide and Carbon company capital stocks which he distributed to relatives, friends and institutions.

HIS LOCAL HOME was on Crestview drive. Since the early 30s he had been making the Village his winter home and for many years took an active part in local civic and social events. In recent years he lived in semi-retirement. He was unmarried. His home here was being readied for his annual visit when word came of his death following what had been expected to be a minor operation.

Indian Officer Here to Discuss Street Widening

A conference to discuss the widening of Indian avenue was held last week with Indian Commissioner Dillian Myer from the U. S. Bureau of Indian Affairs in attendance. Here at the request of city council, Myer met with James M. Stewart, area director of Indian Affairs. Discussion concerned widening of Indian avenue, street right of ways on the reservation and other Indian problems but Myer made no statement or decisions while here.

The Palm Springs reservation was but one of many stops being made by Myer on a nationwide reservation tour. The executives were guests of Mr. and Mrs. Oliver Jaynes at a cocktail party Saturday night at the opening of the Garden room of the Biltmore hotel.

Most members seemed favorably impressed with Palm Springs and the desert area and a decision to hold the 1952 full membership convention here may result. Usually about 600 member publishers attend these week-long sessions in February. This year the general convention was held in Coronado and next year Sacramento will be the site. The publishers alternate their sessions between northern and southern California.

FAMOUS MUSICAL PAIR HERE ON ANNUAL VISIT

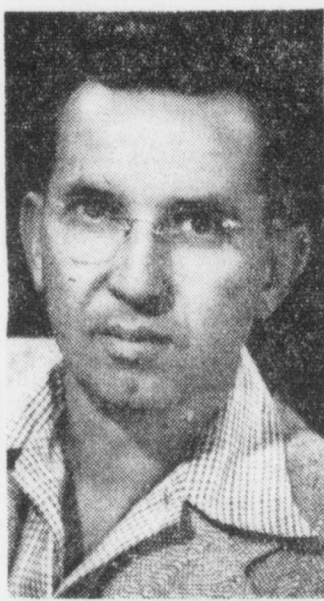

By BETH SCOTT

Andre Kostelanetz, the talented orchestra leader, and his equally talented opera singing wife, Lily Pons, proved they have another talent. They have charm. They charm their audience, whether from behind the subdued footlights or in the bright sunlight of Palm Springs.

This is the popular pair's eleventh annual visit to our resort spa. As they began their second decade here, they recalled the great growth and change in the Village since their first desert holiday. Most impressive to them is the fine style of modern architecture being used in the new commercial and home buildings.

Mr. Kostelanetz remarked on the Village's strides in night lighting. "Your unusual indirect lighting paints a beautiful nocturnal scene, and I like it best then," he said. "It is not that I think the daytime scene is not beautiful, too," he quickly added. He described the new buildings as giving a spirit of "Happy living." The sweeping angles and expansive use of glass he likes for as he expresses it, "it makes one see more nature... more sunshine."

Leaving the technical talk for her husband, Miss Pons expressed her feeling for Palm Village soon.

PRESENT AND PAST—At the top, Frank Miller, new councilman from District Six. He was appointed Tuesday when Tom Kieley, lower photo, presented his resignation. (Desert Sun Photos).

Publishers Like Palm Springs as Convention Site

More than 100 members of the executive committee of the California Newspaper Publishers association met in a two-day session at Desert Inn last week-end. The group discussed policy and problems of the strong, statewide association in a series of quarterly business meetings.

The executives were guests of Mr. and Mrs. Oliver Jaynes at a cocktail party Saturday night at the opening of the Garden room of the Biltmore hotel. Most members seemed favorably impressed with Palm Springs and the desert area and a decision to hold the 1952 full membership convention here may result. Usually about 600 member publishers attend these week-long sessions in February. This year the general convention was held in Coronado and next year Sacramento will be the site. The publishers alternate their sessions between northern and southern California.

Kieley Resigns Council Post; Miller Appointed

Sixth District Councilman Is 'Too Busy'

Real Estate Man Takes Over Seat At Tuesday Session

With a brief letter to the mayor and city council, Tom Kieley resigned as District Six councilman Tuesday afternoon. A few minutes after his resignation was accepted, realtor Frank Miller was appointed to serve the remainder of Kieley's term—another 18 months.

Kieley said, "Due to pressing business obligations, I am unable to devote as much time as I feel is necessary to serve adequately as councilman. In fairness to my district, I think it best that I resign."

IN HIS LETTER to the council, Kieley expressed his "gratitude for the experience and the association" with the governing body.

Councilman Jerry Nathanson refused to vote for Miller after Mrs. Ruth Hardy suggested he be appointed to take Kieley's seat. "The council did not extend me the courtesy of meeting Mr. Miller before today so that I might judge whether I think he is acceptable for the job. I don't know anything about him and I would like to have the opportunity to learn his background before I am asked to vote for or against him. I think the people should also be allowed to know who he is before he is selected."

COUNCILMAN EARLE STREBE defended the choice of Miller. "I've known him for years. He's a large property owner, a prominent real estate man and should be familiar with the problems of Palm Springs."

Nathanson emphasized that he had no objection to the choice of Miller, per se, but that he thought it discourteous of the council that he be asked to vote without having had the opportunity to meet him and time to consider his appointment.

Overruled by the council who promptly voted Miller a seat, Nathanson abstained from voting.

Too Many People Inviting Theft

"People invite attack on their automobiles when they leave them unlocked and valuables in plain sight," said Police Captain Orest Johnson this week following a weekend in which two coats, a blanket and a flash light were stolen from four cars. "Car owners should get the habit of locking their automobiles," Johnson said, "especially if they have valuables in them. If articles are left, they should be placed out of sight of possible thieves and not left on the seat."

Two New Cub Dens Organized

Two new Cub Scout dens were added to Palm Springs growing membership last week. Den five is headed by Mrs. Jules Howard and Den six has Mrs. Eugene Theriault as its den mother.

Warren Linville announced that over 60 local boys had been placed in dens and he hopes to organize two more dens in the next few weeks.

A meeting of Pack 80 will be held here Dec. 1st.

It's No Longer Teen Target; Now it's Known as The Rec

Over 122 Youth Center members crowded "The Rec" for a Victory dance honoring the Palm Springs high school football championship Saturday night.

The Rec is the new name of the Youth Center organization, chosen from among a list of names of other youth centers in California cities. The new title was taken from The Rec in Santa Barbara. Therefore, none of the local name submissions won the contest. Director Bob Bennett emphasized that "The Rec" title was short for "recreation."

Joe Garcia and his band do-

Palm Springs Gridders Win County League Honors

Defeat Elsinore 35-20 In Final Game; More Honors on the Way

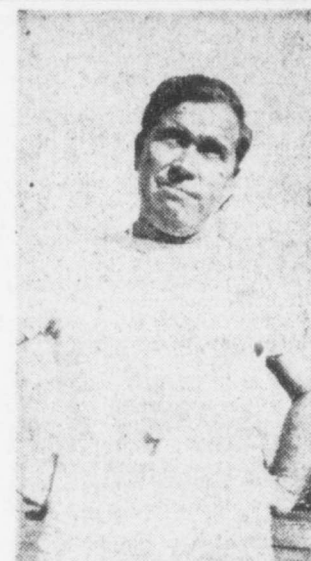

Honors began to come the way of Coach Ballagh and his Palm Springs Indians football team this week after the locals clinched the championship of the Riverside County League Friday night.

With the championship in sight, Palm Springs went on its biggest scoring spree of the league season to defeat Elsinore, 35 to 20.

Coach Ballagh is leading candidate for league coach of the year and several team members will probably be selected for all-league honors.

At a Wednesday morning assembly Principal Henry Greeley presented the two-foot league trophy to the team and introduced the players to the student body.

Details are on page eight.

COACH CLARE BALLAGH His Boys Won the Title

DISTRICT SOROPTIMISTS MAY MEET HERE IN '51

Palm Springs will probably be the scene of next year's annual Soroptimist district conference as result of yeoman work done by two Villagers at this year's session in Albuquerque, N.M.

Representing Palm Springs at the session were Katherine Fin-

chy and Mrs. Lois Lux. Miss Finchy presided over the conference as district president.

They left by train for the New Mexico city a week ago to join more than 300 delegates from other cities at the weekend meeting.

THEY WERE ARMED with Chamber of Commerce data packages and Palm Springs literature which proved so tempting. Mrs. Lux, president of the local club, said that the session will probably be held here next year.

Twenty-five of the 31 clubs in the district were represented at the one-day Saturday session at the Hilton hotel. Individual forums were held to discuss the clubs' service to the community, classification of members, building of the society and other Soroptimist problems.

Howard McMurray, from the University of New Mexico, discussed "The Importance of the 1950 Elections" before the group.

SATURDAY NIGHT the delegates were feted at a "Spanish" dinner. All diners went Latin for the evening, wearing corsages depicting their individual businesses or professions. "It was a buffet dinner at the Hilton," said Miss Lux, "and very elaborate. There were iced figurines and various food delicacies decorated to resemble different business fields."

Miss Lux and Mrs. Finchy spent Sunday touring "very interesting" Albuquerque and entertained for Palm Springs at 4 p.m.

Dorsey to Address Masonic Club Session

T. Owen Dorsey, Los Angeles Stock Exchange member, will speak at a Masonic luncheon Friday noon at the Chi Chi club. He will discuss "War and Money." The public is invited.

IN HIS TALK, Morley will expose the slave conditions behind the iron curtain in Europe and Asia as he saw them recently. He will also discuss U. S. foreign policy in Korea and other places, and the triumph of the Marshall Plan in others.

The second forum speaker of the season will be Dr. Walter B. Wallbank, speaking on "The Facts of International Life" on Dec. 14.

A six-pound girl was a pre-Thanksgiving arrival for Mr. and Mrs. Charles E. Wade at Community hospital Wednesday evening at 8:26 p.m.

Both mother and daughter are doing well.

Report Fine Progress in Chest Drive

House-to-house Drive Under Way; Report Chest One-Third Full

Door-to-door Community Chest workers turned loose their charm on Palm Springs this week in an effort to get the major part of home solicitations over by the end of this week. The Chest turkey reported that by this morning \$10,200 had been collected in all phases of the campaign toward the goal of \$38,000. Workers are keeping tabs on monies collected by means of a huge turkey painted by Earl Cordrey and now standing in The Center. Every time an additional \$5000 is collected, Cordrey adds another red tail feather to the five by seven foot bird.

THE TURKEY adds emphasis to the theme of the campaign which is "Show your thanks on Thanksgiving by giving for those who are less fortunate."

Reed Hubbell, chairman of the Chest, met with the house-to-house canvassers last week at a "kick-off" luncheon. Mrs. Arthur Hoff, chairman of the Residential group of workers, said at the meeting that she hoped to have the majority of the work done this week.

RALPH PIERSON, head of the Business area, announced his workers would start canvassing on Monday also. Joe Weber of the Hotel and Apartment section said their drive would begin next Tuesday.

Heads of the organizations which benefit from Community Chest donations addressed Chest workers at the meeting, pointing out the work being done by the various groups.

Mr. Herman Reich spoke for the Boy Scouts, impressing the workers with the need to continue the activities that build character for 4,000 boys in this district alone.

FRANK PARTRIDGE, who directs the activities of the Boys' Club, the organization with the club house on the Indian Reservation, said that the Chest, Page 3

Benny Show To Originate Here Dec. 10

Jack Benny who became a Villager last year when he bought a home here and who plans to spend as much time as possible in Palm Springs, will stage his first broadcast of the season from World Wars Memorial Hall on December 10, Irving Fein of his publicity department said Wednesday.

Fein said that Benny would probably originate several of his broadcasts from the Village. The show goes on at 4 p.m.

THE PUBLISHER'S CORNER

MOST AMERICANS have thought so all the time—but it was encouraging for them to read in the newspapers yesterday morning that the U. S. Justice Department had FORMALLY charged the Communist Party of the United States with being run by the government of Soviet Russia. It has long been advocated by such organizations as the Americanism Educational League that the people of this country demand of their political leaders that the Communistic movement in America be outlawed. It is the only solution of this menace that faces the nation. Enforcement of loyalty oaths means little. The object of Communism is to overthrow by violence—it is not a legitimate movement, has no rightful place along with the other political parties.

And so the American people can take heart in this declaration by the Justice Department—the first step that has been taken under the new Subversive Control Law which requires the registration of all Communists and Communist-front organizations. Most of our political leaders have never had the courage to stand up and face this greatest danger to our nation; indeed many of them have been playing directly into the hands of the Communists. But we are now witnessing an awakening of the American people to the importance of having loyal and capable men in public office. This was demonstrated at the last election. It is the most encouraging sign we have had in many years. Let us hope that the day is not far off when Soviet Russia will no longer be permitted to undermine the government of the United States through the Communist party.

Director Bennett pointed out that club social activities are paid for by club members and no Community Chest funds are used for this purpose. "Chest money is used for salaries, maintenance of the building and utility expenses only," said Bennett.

Banning Told Freeway Will Not Hurt City

State Right-of-Way Chief Tells of Plans To End Bottleneck

E. P. Wagner, deputy chief right-of-way agent for the state highway department told Banning chamber of commerce members Friday that freeways definitely did not disrupt economic conditions in towns abutting them. He showed "before and after" pictures of communities which were on limited access highways to prove that they were not hurt by the new roads.

SPENCER W. LOWDEN, state highway engineer for this district who succeeded E. Q. Sullivan, retired, also addressed the group and said that the highway engineering department's study of the Banning bottleneck was nearing completion and that a route through the city would be submitted soon for study.

"We are trying to comply with local wishes," he said.

AT A MEETING earlier last week, Riverside county chamber of commerce members, in session at Beaumont, were told by Lowden that the state was studying four possible routes through Banning to eliminate the traffic snarls there.

Desert area communities have long sought relocation of the highway as on occasions of special events traffic is too great for the present route to handle and has been snarled for hours on some weekends.

Eleven-year-old Gary Golden is envied by the kids in his neighborhood around east Sunny Dunes road.

For Gary walks proudly about with a racing, homing pigeon on his head or shoulder, a novel pet possessed by the instinct of racing home to Gary, and never flying far away.

Timmy is loved and fed by everybody out Gary's way, but the brown-and-white bird with the multi-colored collar evades cats by zooming over roofs and perching on chimneys, where he coos for enchanted householders below.

Timmy sometimes goes downtown to the Lois Kellogg ruin on South Indian, where he picks up friends and brings them home for a visit, reports observant Gary. Timmy also does a backward roll, just like a "roller" pigeon, says Gary, probably to show how smart he is.

Fire Hazard

Believed Ended

Forest service officials indicated this week that the fire hazard season had ended as result of the last big rain storm in the mountains.

The fall left .64 of an inch at Idyllwild.

Snow conditions are poor because of high temperatures but hikers have reported some drifts above the 8000-foot level.

City Manager Rink At Cities Session

City Manager Russell Rink represented Palm Springs at a dinner meeting of the League of California Cities Citrus Belt Division in Redlands Friday night.

Mayor William Evans of Riverside discussed that city's off-street parking plans. Mayor Smith of Corona examined city-county financial relations for the group and the mayor of Upland talked on civil defense problems.

Back for Annual Visit

Lily Pons, right, noted operatic star, is in Palm Springs for her annual visit. With her at Ingleside Inn is her famous husband, Andre Kostelanetz, noted orchestra leader. They are shown above with Councilwoman Ruth Hardy, owner of Ingleside Inn. (Gayle Studio Photo).

From Page One—MORE ABOUT LILY PONS

Springs. "I like it, because it makes me feel good." The dry climate is helpful to her voice. And she truly is tired when she comes here each fall. She has spent seven weeks on this coast and made 13 appearances in Opera during her current sojourn in the west. Her usual two week visit was cut to only one week this season, because the Metropolitan Opera season is opening early this year.

She opens December 6 in "The Barber of Seville" and before that sings in Boston on November 26 and in Baltimore on November 29th. The two will appear together in five concerts after the first of the new year.

Mr. Kostelanetz is resting after the completion of two musical albums. One of which will be released next week. It is "Carnival of the Animals" with special verses by Ogden Nash and spoken by Noel Coward. This suite of wittily verses deftly portrays the animal world in a tuneful and amusing fashion.

Both the musical stars are enthusiastic boosters for our Village. This year Mr. Kostelanetz's visit has been indelibly printed on his mind. But it is not the sunning, the outstanding modern architecture, the unusual lighting that will be his main talking point. It will be his golf game! He made his first Birdie on the local golf course, while playing this week.

In parting Miss Pons said they were invited to Phoenix this year, but would not give up their fall visit in Palm Springs. Her only complaint was that their visit was not long enough. "We usually stay two weeks, but this time it was only one week, and that is too short." Next year they promise to have their usual fortnight stay.

Village Contractor Dickers for Gravel

Joe T. Leonard, Village contractor, is negotiating with Coachella Valley Water directors for gravel from the district's spreading grounds near Whitewater. Earl Redwine, counsel for the board, said this week.

His bid was referred to J. H. Snyder, manager for the district.

Be Careful, Don't Invite Burglary During Holidays

Local merchants were warned this week to be on the lookout for shoplifters during the holiday season; for at that time, according to Police Chief August Kettmann, with stores packed with purchasers, the field is open for theft of merchandise.

"Investigation has revealed," Kettmann explained, "that many normally honest persons are apt to forget the commandment Thou Shall Not Steal in a desire to obtain gifts for their loved ones in excess of their financial limitations."

HOUSEHOLDERS were also warned against keeping their accumulated Christmas funds in cookie jars, old teapots, under mattresses, and so on, for at this time of the year prowlers are on the loose and know these familiar caches. Kettmann urged early banking, or immediate purchases with this accumulated money.

Wallets, handbags and purses should be carefully watched during this season when pickpockets and petty thieves annually reap a harvest from busy and often exhausted shoppers en route to and from the merchandise marts. Such thieves are even known to reach their hands into the win-

Forest Service Officially Accepts Mountain Road

Official acceptance of the new Banning-Idyllwild highway through the national forest reserve was made last weekend following a tour of inspection by forestry officers.

The U. S. Forest Service provided \$147,000 for the surfacing of some 20 miles of the highway between Banning and Mountain Center.

Norman Farrell, supervisor for the San Bernardino National Forest said that while there were a couple of minor requirements yet to fulfill, the road generally meets the specifications.

dows of cars waiting at intersections and lift women's handbags with or without their knowledge.

"AND DON'T LEAVE" valuable articles, wrapped gifts and the like, in unlocked automobiles—in fact, leave them unguarded in automobiles parked at the curb or elsewhere, at all," the chief added. "Car clouters have been pretty well subdued in Palm Springs through vigilant police action but during the holiday season, the rash of car raids may break out again despite all we can do."

"Don't put temptation in the path of those who cannot resist."

Salton View Road Opened At Dedication

Ceremony at Peak Sponsored by Civic Heads of 29 Palms

Bringing one of the West's most magnificent views only 25 minutes of high gear scenic travel from the business center of Twentynine Palms, the newly paved Joshua Monument highway to Salton View was officially dedicated by the Twentynine Palms Chamber of Commerce Sunday afternoon, Nov. 19.

Barbara Swain, Queen of Twentynine Palms recent Pioneer Days celebration, cut the ribbon that permitted a caravan of cars led by Jack Fouch, Twentynine Palms Chamber of Commerce president and Frank Givens, superintendent of the Joshua Tree National Monument, to head for the 3180 foot summit.

In dedication ceremonies before the ribbon cutting, Givens stated that the National Park Service expected that travel to the Salton View summit would more than double now that the road was entirely paved.

Camp grounds and new roads in the area have resulted in 72,600 visitors being recorded in the park in 1949. The figure in 1944 was 9000.

The new highway serves some of the most scenic spots in the Joshua Park Monument.

PRESIDENT FOUCH, in welcoming the town's guests, called attention to the scenic beauty of the Split Rock area, Queen and Lost Horse Valley through which the road traverses to reach the summit, 5185 feet high. All guests and visitors signed the special register at the View.

After viewing old Mexico, the Salton Sea, Palm Springs, Indio and the towering peaks of Mt. San Jacinto and San Geronimo, covering a variation in altitude from 200 feet below sea level to 11,000 feet above, the party returned to 29 Palms Inn for a buffet and cocktail party, the famous old Inn located in the Oasis of Maru.

From Page One—MORE ABOUT CHEST

variation which provides directed sports activities for 165 boys from 6 to 15, outlined the importance of this community service. There are 80 boys in the 5 baseball teams, four of which have had uniforms donated, but they need a donor for the 5th—\$100.00 would cover it. Much of the money raised goes to replace their much-used equipment.

Mr. Stanley Rosin, speaking for the Girl Scouts, says that 50 adult volunteers have daily programs for the 300 girls. The Chest contributions help operate not only the Palm Springs Club House, but the one in Cathedral City as well.

BOB BENNETT explained how the boys from the Boys' Club "graduate" to the Youth Center at 16. Here activities are provided for both boys and girls. He, as did the other representatives, urged the workers and contributors to visit the Agencies and see for themselves what is being done for the youth of the town—see and understand what a good investment they have made.

When Madge Holderman finished outlining the services of the Welfare and Friendly Aid she received an enthusiastic applause—not only for her informative talk, but for the constructive program the Health Clinic offers our community.

LLOYD MASON SMITH, director of the Desert Museum, said that of the 38,000 people who participated in the museum activities last season, one fourth were children. Not only are the films on natural history popular with them, but the Saturday nature

LAFF OF THE WEEK

"He Won't Tell Us His Name. He Just Says His Mother Calls Him 'The Three-Wheeled Terror!'"

Truck is Latest Victim at Curve

Wonder Palms curve claimed another vehicle victim last week, one of several accidents which have occurred on the treacherous bend on highway 111 this fall.

Friday it was a truck loaded with household goods en route from Nevada to Palm Springs. The driver, John Croft, was unhurt, but Imel Means was confined at Community hospital for one day with severe arm lacerations.

"I guess I nodded at the wheel," said Croft. The crash tore the truck body from the chassis and scattered household furnishings over the area.

trips attract scout groups from many outlying districts. The museum has also been influential in obtaining summer jobs with the Park Service for many of our teenagers. Besides the programs given at the local museum, Smith conducts a program once a month at both Desert Hot Springs and Cathedral City.

Robert Maypole Dies in Chicago

Death last week took a well-known Village winter visitor, Robert Maypole, 73, of Chicago. Maypole had spent the past summer on his farm in Wisconsin where he had suffered poor health. He returned to Chicago for his health but here a heart attack caused his death.

He was the brother of State Senator George Maypole of Illinois and with Harry Stutz, was organizer of the Stutz Automobile company.

Mrs. Ruth Licata, Villager and long-time friend of the family received word of the winter visitor's death last Friday.

Miss Florence Allen SMC Tennis Coach

Tennis coach for the season at Shadow Mountain Club is Miss Florence Allen. She is a graduate of Southern California and a recent winner of the Tea and Crumpet tournament in Los Angeles.

Miss Allen is a season resident of Palm Desert.

Complete Plans For Visit Here of Chest X-Ray

Plans for the November 27th, 28th and 29th visit of the Christmas Seal chest X-ray unit to Palm Springs have been completed according to Mrs. Madge Holderman, public health nurse at the Palm Springs health center.

The unit will operate at the High School on Monday. Free X-rays will be taken of elementary students whose tuberculin tests were positive and of high school students, with special emphasis upon Freshman and Senior grade pupils and all school employees.

IN THE EVENING the unit will move to the down town area on Palm Canyon drive, near the Plaza. Free X-rays will be available to the public at that location from 6 p.m. to 8 p.m. on both Monday and Tuesday evenings and from 9 a.m. to 12 and 1 p.m. to 4 p.m. Tuesday and Wednesday.

"Over 3000 free X-rays have been taken in Palm Springs on recent visits of the unit," Mrs. Holderman said, expressing a hope that at least 1,800 or 2,000 more residents of the area would take advantage of this years offer of free X-rays.

"It takes only seconds to go through the unit and be assured that one's chest is healthy," she said.

Palm Village Gone; Palm Desert Now

Supervisors Monday made it official.

Palm Village is no longer Palm Village. It is now Palm Desert.

Board members adopted a resolution giving the subdivision the same name as the famous one next to it and across the street.

Cancer Film Shown At Special Luncheon

Self-examination for cancer was the subject of a film shown at Town and County Tuesday

Decision Today In Contest Over Supervisor's Job

Decision is expected today on the close race for the fourth district supervisor's position on the county board when G. A. Pequegnat counts absentee voter ballots.

Wednesday was the final day for receipt of ballots which had to be voted and mailed on or before election day, Nov. 7.

The long wait was to allow for possible overseas mail.

Homer Varner, Indio, held a 159 vote lead over Helen Hester, also of Indio, in the count of ballots cast November 7. There are around 300 absentee ballots to be counted today.

The vote November 7 was Varner, 6297, Mrs. Hester, 6138.

Gray Ladies Aid X-Ray Unit

Mrs. Lauritz Hansen and her co-chairman, Mrs. John Williams, have arranged to have Gray Ladies group of nineteen women register persons reporting to the Mobile X-ray on November 27, 28 and 29.

Val Blatz, chairman of Palm Springs branch of the American Red Cross, said that the Village is to be congratulated on the active group of Gray Ladies trained to serve in emergency.

Mayflower Moans—Too Many Palms!

Collis Mayflower had a complaint to air Monday.

"Palms, Palms, Palms," he said.

That was when supervisors approved a map for Two Bunch Palms tract No. 2.

"All we have in the county is Palms," he said, "Palm Springs, Palm Desert, Palm Village, Twin Palms."

when Mrs. A. G. Hoff presided at a special meeting.

Dr. William Elliott of Palm Springs and Dr. R. E. Garrison of the county health staff, were commentators at the pre-view showing of the medical film.

Old West Still Lives, Hunt is on For Horse Thief

The old west still lives.

A horse thief was being sought today even if the horse is back.

The animal, Little Red, was stolen from Mr. and Mrs. Kenneth Jackson of the Burro train. The thief abandoned it at Thunderbird ranch where the liberated steed cavorted on the newly planted golf fairways until Frank Bogert staged a one-man round-up.

The thief continued eastward.

Art Meyer Back From Hospital

Back home today at his Villa Hermosa hotel is Arthur Meyer, winner in a tough bout with acute illness which followed an operation six weeks ago at Cedars of Lebanon hospital, Hollywood.

Retiring prexy of the Palm Springs Hotel and Apartment association, Meyer is recovering rapidly from a heart attack, which followed minor surgery, but he will be allowed no visitors for two weeks.

The prominent Villager has been so eager to return home that he is sure to continue his fast progress toward complete recovery, according to Mrs. Meyer, his bedside companion.

WE NEED \$7,000 to pay our operating expenses. 38,000 persons (1-4 of them children) used our Desert Museum last season. By giving to the Community Chest you will insure the continuance of this service to our community and our visitors.

Communism and Its Method to Be Told Rotarians

"Communism in Action" will be the topic of a talk presented by Oscar F. Gavrilovich, former Consul General of Yugoslavia to New York, to Palm Springs Rotary club on Dec. 13. The former diplomat will also play his transcribed story, "Tito and How Yugoslavia Fell to Communism," for the group.

Gavrilovich resigned his consular post in New York for political reasons, after having served for more than 30 years in different diplomatic capacities and other missions, which led him to many countries over the world.

He resigned his post twice; first, when the Yugoslavian government sided with Hitler in 1941, and second, when Tito dragged his country into Communist waters.

Gavrilovich is a member of

The Desert Sun—3 Palm Springs, Fri. Nov. 24, 1950

The Diplomatic Club, an organization composed of former ambassadors and consular officers who have banded together since their countries became red dominated.

"WHAT D'YA MEAN... MORE PAYLOAD?"

DODGE "Job-Rated" trucks GIVE IT TO YOU!

IT'S A MATTER OF better weight distribution

You can haul more payload than ever in a Dodge "Job-Rated" truck, because the load is better distributed. Most trucks carry too much of the load on the rear axle—too little on the front. Because the engine of a Dodge "Job-Rated" truck is moved forward and the front axle back, both axles carry the right proportion of the load. That means you can haul bigger payloads without overloading.

NOT THIS The payload on most trucks—like the girl in this boat—rides too far to the rear. Result: there's too much weight aft, not enough forward.

BUT THIS In "Job-Rated" trucks, the load is moved forward—as the girl is now positioned. Results: proper weight distribution—bigger payloads—easier handling.

NEW! gyro FLUID DRIVE! Available on 1/2-, 3/4- and 1-ton models . . . for longer truck life, lower upkeep costs. Ask us for interesting Fluid Drive booklet.

POWER: . . . 8 great truck engines—each "Job-Rated" for PLUS power.

ECONOMY: . . . priced with the lowest "Job-Rated" for dependability and long life.

BIGGER PAYLOADS: . . . carry more without overloading axles or springs because of "Job-Rated" weight distribution.

EASIER HANDLING: . . . sharp-turning! Parks in tight places. "Job-Rated" maneuverability!

COMFORT: . . . widest seats . . . windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.

SAFETY: . . . finest truck brakes in the industry . . . hand brake operating independently on propeller shaft on all models—1/2-ton and up.

Job-Rated for low cost transportation

They Had the Spirit that Makes Champions

Getting away from politics and the more serious side of life and living for a moment, this is an appropriate time to congratulate Coach Clare Ballagh and his fine group of boys at Palm Springs high school.

Thirteen has always been somewhat of a symbol of bad luck. But it was a lucky year for Palm Springs high—luck plus a lot of good solid endeavor, skill, brawn and brain. The Palm Springs Indians won their first Riverside County League football title in the 13 year history of the school last week and they did it the hard way.

After a little bad luck clipped them out of their first league game, they got the breaks in luck by making them thereafter and went through the remainder of the season without defeat.

In winning that title they set an ex-

ample which many people could follow in the sterner game of making a living—they never gave up. In many of their games they had to come from behind. Several times the score was against them at half time or even later. But they were not disheartened or discouraged. They just kept on trying and giving their best—and as a result they are champions.

To Coach Ballagh who instilled that spirit in them as well as teaching them the fundamentals of the game, goes a large share of the credit. To the boys who learned well what he taught them and who supplied the spirit that makes champions, goes a larger share. The local fans, school students and townspeople, who backed the team with their support, deserve much credit, too.

It's a happy Thanksgiving time for Ballagh, his boys and the rooters. It should be. They deserve it.

A Moment of Time

It takes only a moment to write a check or slip some bills in an envelope. If the envelope is addressed to the Riverside County Tuberculosis Association, that brief moment may help save a life.

Some of us neglected to take that moment to acknowledge our Christmas Seals when we received them in our mail last November. It is easy to put something like this aside during the busy, pre-Christmas days. But it is not too late to take a moment off to make our return for the Seals.

Funds realized from the sale of Christmas Seals are the sole financial support of the association in its work to bring tuberculosis under complete control in our community. The activities of the association include such worthwhile projects as health information service, tuberculin testing in schools, free chest X-rays, health education projects and support of a research program which has made great strides in the control of tuberculosis.

Continuation of these activities may make the difference between life and death to some of our residents. Surely all of us want to support the work of our tuberculosis association. It will take but a moment to tell the association we are back of its life-saving program, only a moment to acknowledge our Christmas Seals.

Advertising Means Millions

(VALLEJO TIMES-HERALD)

Some interesting figures have been compiled and released by the All Year Club proving that tourist dollars are spending dollars and that enough of them add greatly to the prosperity of a community. W. W. Keith, president of the club, reports that upwards of a hundred million dollars were dropped into Los Angeles and its environs the past year by out of state visitors who have been lured into the area through well conducted advertising mediums.

Los Angeles has grown and prospered by spending money to advertise the

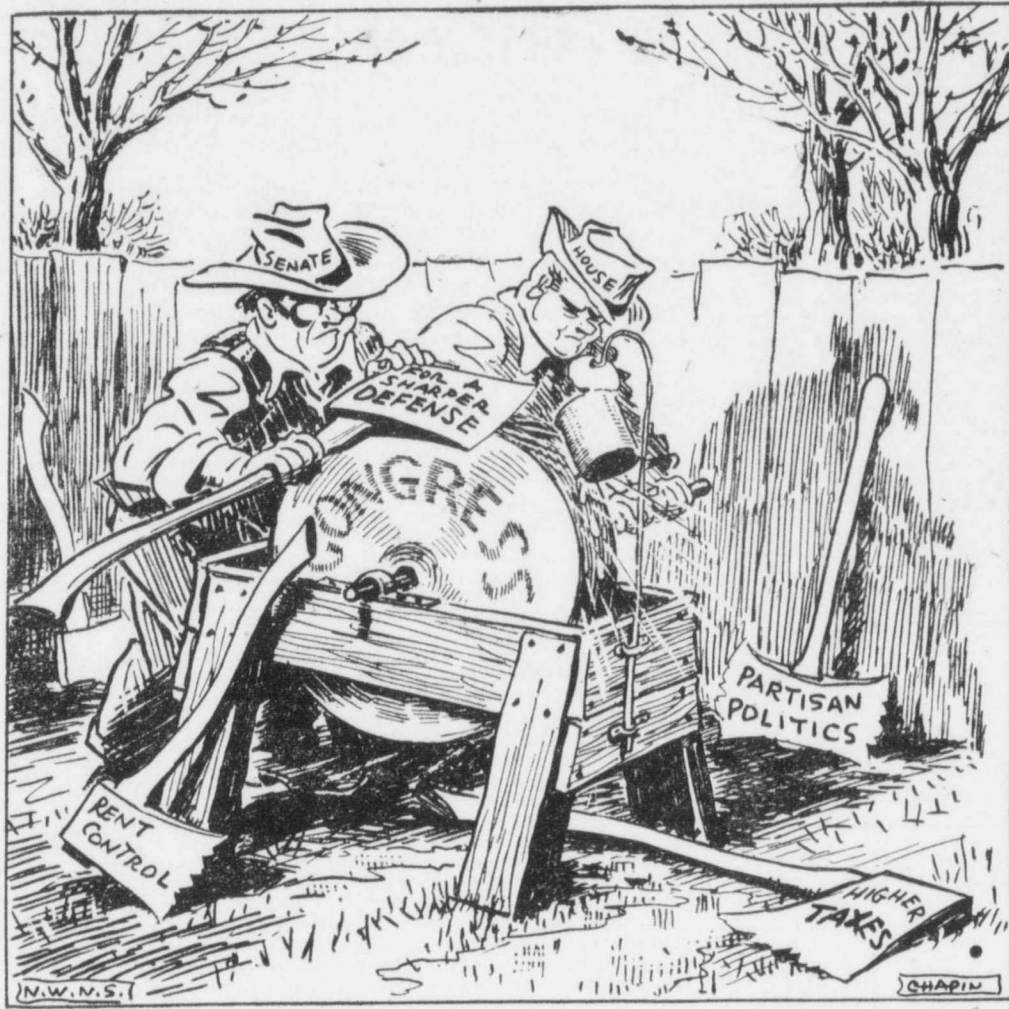

Southland. The expenditures have brought millions of guests into the area, they have spent their money lavishly, contributed to the prosperity of the state, and particularly to Los Angeles into which flow a constant stream of visitors and dollars. The effect of these dollars is reflected in increased populations, new industries and general prosperity, not a bad result from arousing public interest among easterners who come west to enjoy the scenery, the mild climate and movie stars.

It is a recognized fact that Northern California excels the southern area in more ways than one. We have the resources, the scenic attractions and unquestionably a better climate. But we have hoarded our dollars and refused to "Boost Northern California," with the result we occupy a poor second when it comes time to count noses, and dollars. Those Los Angeles boosters are more original, more persistent and quicker to appreciate a bargain when they see one. And lacking serious regard for their own resources, they whet up an appetite for improvements until the oldtimers become ardent followers of the new-thought program.

If we possessed one-half the enterprise and enthusiasm of our Los Angeles brethren we would outstrip them industrially and every other way. But we have been content to sit on the sidelines and frown upon the booster spirit. We receive tourists, to be sure, but if you rub shoulders with them you will soon be appraised that most of them are passing your way to reach Los Angeles. That is the magnet that draws them into California.

If you are interested in the promotion of out-of-town attractions and anxious to learn how to go about bringing visitors into our midst, pick up one of many eastern magazines of large reader interest and you observe the Sun-Kissed beauty of Southern California, the majestic beauty and grandeur of Oregon and Washington, but seldom a word concerning Northern California. The answer is obvious, but why our delayed action?

Back to the Grind

Confident Living

by
NORMAN VINCENT PEALE

The Magic of Achievement
is in You

On a recent visit to Chicago, I picked up a daily paper and, leafing through it, was thrilled to find a long feature story about a friend of mine. It was a good, old-fashioned, exciting American success story. It told of a man who had a fresh and original idea and how he had projected that idea into a great business. I say I was thrilled, but not because of anything I read in that article. My memory of my friend went back some years before the period covered in the newspaper. And, at that time he was certainly no success at all. In fact, he was about as complete a failure as a man can be. He was out of a job and he was in lots of trouble. He had become an alcoholic, and finally his wife in desperation, had had him placed in an institution. Everyone who knew him had given up hope for him.

But in that institution, he somehow came into contact with the wonderful work of Alcoholics Anonymous. The AAs worked with him, and with their help and a renewed powerful faith in God, he changed himself and was able to start the long trek back.

You can readily see why I was so thrilled to read about his great success in the newspaper. This was a man who had managed to change failure into success.

Now the truth about this man is that all the time, even during the period of his most abject failures, the potential of success was within him. It was buried in his personality under emotional conflicts and failure patterns, but it was there nevertheless. All that he needed was to find the key to releasing the magic of achievement within him. And, when he was able to do that, he was able to reach the success that had evaded him until that point.

In simple essence, that is the story of most of us. The magic of achievement is in you. And the whole outcome of your life depends on your ability to find the key, turn the lock and release that magic of achievement. You may be asking yourself what I mean by "achievement." Let me tell you. It is not necessarily making a lot of money, gaining fame and honor, becoming a so-called "big-shot." Not that there's anything wrong with these things if you come by them honestly.

But the real meaning of achievement is...

Honor to Hubbell

Editor, Desert Sun: Due to a combination of circumstances and through no one's fault, there has perhaps been some confusion as to the leadership of the Community Chest campaign. I took on the job as chairman with the full expectation that I would be in town full time to work on it.

As you know, I have found myself away about half the time, and for the last three weeks Reed Hubbell has been doing all of the active work and has been doing it well. Though I know he is not doing it for the honor or any other reason than to render a real community service, I would feel much better about it if he at least gets the benefit of any honor that goes along with being chairman.

I have therefore resigned as chairman and I hope to be out of the trenches and back home by Thanksgiving.

Delightful Program Enjoyed By Woman's Club Members

By RUTH MARTIN

In all probability it will be some time before the Palm Springs Woman's club again has an opportunity to enjoy a book review program as thoroughly as that presented by Mrs. Fanny Macenroe on the afternoon of November 20th when she gave extremely intelligent and warmly human running commentaries on well known books of the day.

Mrs. Charles E. Glass program chairman, with her usual suavity and charm, introduced the speaker who admitted the celebration of a birthday and thanked the club for a lovely corsage which was presented in honor of the occasion.

Mrs. Macenroe is possessed of rare stage presence and much distinction while her effervescent humor and friendly charm combine with deep spiritual concept to captivate her audience. The warmth and naturalness of her personality and understanding made a deep appeal to her listeners while she highlighted such currently popular books as Dr. Norman Vincent Peale's "Guide to Confident Living" and the "Art of Real Happiness." "In the Pink" by Topp; "The Menominee Cook Book" and "Fifth Chinese Daughter" by Jade Snow Wong. Excerpts from "How to Guess Your Age" by Ford kept the audience in gales of laughter and thus her selections achieved a nice combination of gaiety and seriousness well suited to the holiday season.

Mrs. Claude L. Yerkes, Art Director, scored another triumph when she secured Esmeralda Reed's exhibit of fine desert paintings for display in conjunction with a stunning copper etching exhibit done by William Holtz, both of whom are outstanding artists of the West. Mr. Holtz' etchings have exceptional merit and Miss Reed's inspirational paintings of the desert may be seen at Bullock's Palm Springs Art Gallery and Studio. Decorations were in the yellow and green colors suitable to the Thanksgiving motif and arrangements were created from branches of the green Bottle Bush and yellow persimmons with quantities of yellow chrysanthemums. New members of the Club were presented with corsages in a similar color scheme in honor of the occasion. Mrs. George F. Manington acted as chairman of the decoration committee and was assisted by Mrs. Fern Jones, Mrs. Arthur G. Hoff, and Mrs. Bradstreet Miller.

Members and their guests were cordially received at the door by Mrs. Horace Pendery, Mrs. John Dekker, and Mrs. Harry Yesley.

Mrs. Clyde E. Harner who is proving to be such an excellent general tea chairman, appointed Mrs. Meta Ellinger her tea committee chairman for the day with Mesdames L. C. Lewis, A. N. Tichenor, Jane Bigelow, Merrill Crockett, John Robertson, MacCartney, J. E. Trott, and G. I. Manning assisting Mrs. Lewis and Mrs. MacCartney poured at the artistically arranged tea table where delicious refreshments were served.

Five Man Trio (That's Right) At Doll House

George and Ethel Strebe at the Doll House proved this week that if three is certainly no crowd, which the Guadalajara Trio isn't, then five is again no crowd. They came up with the largest trio in the country by adding Nickie DeBruno to the group to appear nightly, making it a five-man trio, or rather, four men and a girl.

Enjoying dinner several nights in a row this week, and watching the Guadalajara Trio by leaps and pretty bounds, were Robert Taylor and Barbara Stanwyck, Victor Saville of M.G.M. hosting Mr. and Mrs. Vic Orselli, the Robert Pages, Senator and Mrs. Nixon, Mr. and Mrs. George Sherman, with Van Heflin, Hal Kelley with the fin-tailed custom General Petroleum roadster parked right in front of the door, and visiting firemen from the California Newspaper association of Los Angeles, in town for several days of convention.

Dancing School At Youth Center

It's dance instruction night at the Youth Center every Tuesday and it's all for free to members. Roy Randolph and his teachers Sally White or Billie Walker are there to help the young people learn to square dance, rhumba, samba, fox-trot, waltz or any other type of dancing.

So far most of the members taking advantage of the instruction are boys. The boys need girls for dancing partners, so the call is out for all interested in this free instruction to be at the Youth Center at seven P.M. Tuesday evening.

The Youth Center is a beneficiary of the Community Chest.

La Quinta C. C. Hosts Dinner

More than 100 guests were present at a dinner dance Sunday night at La Quinta hotel where the chamber of commerce of that city was host.

Dancing was to the music of The Four of Us. Colonel Walter C. Bowman, president, discussed the future developments of La Quinta. Robert W. Groves, hotel manager, also spoke at the meeting and offered his cooperation to the chamber.

The hotel has been recently remodeled with plans for additional improvements.

Hornet Crew Joins Mayor In Gay Party

Admiral A. K. Doyle, chief of ing stations in the United States all the naval air reserve training was the guest of Mayor Charles Farrell last weekend. "Artie" Doyle was captain of the airplane carrier, Hornet, to which Farrell was attached in World War II. With him were Captain Ray Johnson, staff training officer, Lt. Cmdr. Cliff Curtis, aide to the admiral, Cmdr. "Ollie" Olson, planning officer, Cmdr. Jim Brough, legal officer, Cmdr. Glen Witham, personnel, Lt. Cmdr. "Van" Vanderford, staff pilot, Jg. W. W. Christine, staff pilot, A.D.C. Ad Buscaglia, engineer, A. L. C. Tony Thompson, radio, Pardee Erdman, chaplain, "Gig" Brandstedt, golf pro, and Rush Butler, Chicago insurance man.

The mayor took his Lt. Cmdr's naval uniform out of mothballs and gave a dinner party in their honor last Saturday night. Included in the party were Bill and Mousie Powell, Frank and Janice Bogert, Alexander and Marge Hall, and Dr. and Mrs. Omar Fareed.

The admiral's plane, which has just returned from Korea, had taken them to various naval air stations for inspection when they were "weathered in" near Palm Springs. They are now en route to their home base, the Greenfield naval air station, Greenfield, Illinois.

Mrs. Freeman Dinner Hostess

Mrs. Edith Freeman entertained with a dinner party earlier in the week honoring B. J. Majewski of Chicago, who spent a week in Palm Springs prior to attending the national conference of oil men in Los Angeles. Guests were Mrs. Carl Dixon, Commander and Mrs. Reginald Venable (Fay Bainter), Mrs. Grace Burgess, Mrs. James Fontier and Mrs. Davis Fulton, who entertained the guests following dinner.

Annual Hope Chest Dance Plans Ready

December 2 marks the date of the annual Hope Chest dance sponsored by American Legion Auxiliary of Owen B. Coffman Post is was announced last week. The event will be held at Wars Memorial hall.

Proceeds from the dance go to rehabilitation work and charity activity of the Auxiliary. Miss Inah Peterson, chairman of the dance committee said.

This year the unit helped Palm Springs' needy in many ways. They donated to maintenance of the hospital gift shop, Christmas baskets, correspondence courses, cancer treatment and scholarships.

Music for the dance will be by Archie Long with other entertainment during intermission.

Chicken Dinner, Card Party, Dec. 5

Tuesday, Dec. 5, at 6:30 p.m., a Southern chicken dinner will be served at St. Paul's-in-the-Desert.

The dinner will be followed by canasta play and a Christmas tree grab bag as was featured at last year's Christmas bazaar.

Tickets for dinner and canasta are \$2.00 per person and reservations limited to 150 and must

Fashion Show Luncheon Tomorrow at Desert Inn

"Good traveling companions" will be featured in the J. W. Robinson company fashion show luncheon to be held Saturday noon, November 25 at the Desert Inn. Because of the extensive traveling that is being done by the American public all good designers have incorporated in many of their garments features and fabrics that hold up well under strenuous occasions, that can be taken out of a traveling case and be put on immediately. Many of the garments take only a small space in a bag that must hold several changes.

Some of the ideas that have proven successful for the seasoned traveler include the one and two piece knitted dress, the tweed traveling coat that picks up many colors in its fabric, the cashmere coat that is lightweight to wear but not bulky to carry, jersey sun-dresses that would do for cocktail dress when set off with exciting jewelry and a flower, and cashmere sweaters that have now taken their place in the evening wrap parade.

Old Costumes and Tunes Make Gay Nineties Party Enjoyable One

A "Gay Nineties" party that proved a triumph in authenticity of costume and humorous entertainment was hosted last week by Mrs. Kate Neishuler, Miss Ruth Eltinger and Mr. and Mrs. Dexter Blau, attended by more than 80 costumed guests at La Cita restaurant.

Complete with Floradora "Sex-tette" barbershop quartet, mind-reading seances, community singing of old tunes, old movies and a corned-beef-and-cabbage menu, the past-century party went off with a big flash of colorful activity.

Information may be obtained from Mrs. Walter Camp at 2362 or Mrs. John Lapp at 6911.

Stanley Rosin, as "strong man" with balloon pads, won the prize as funniest male entry; Mrs. Lou Dubin, with Victorian-style bustle, as funniest "lady." Eddie Allen "copped" a prize as a pre-20th century policeman; Jean Morris as most authentically costumed Nineties belle.

The "Sex-tette" was composed of five charmers: Mrs. Leo Baker, Mrs. Stan Rosin, Mrs. Al Bergman, Mrs. Max Grone, Mrs. Bob Levin.

Mustachioed male quartet was revealed as Leo Baker, Hank Goldenberg, Rosin, Bob Morris. Jules De Vorzon was "mind-reader" and leader of community song.

"Nothing like it on the road!"

NEW LOOK—

This new 1951 Mercury has had 'em oh-ing and ahh-ing since the day it hit our showroom. There's sweeping new styling and dozens of new luxury features. Rich, new colors, upholstery and trim, too. There's just nothing like it on the road!

NEW DRIVE—

"Sm-o-o-ther" is the word for Merc-O-Matic Drive. "Thrifter" is the word for Touch-O-Matic Overdrive. Both Merc-O-Matic Drive and Touch-O-Matic Overdrive are optional at extra cost. And for those who prefer manual shifting, there's Silent-Ease standard transmission. Yes, with Mercury you have a 3-way choice — for "the drive of your life."

New
1951

MERCURY

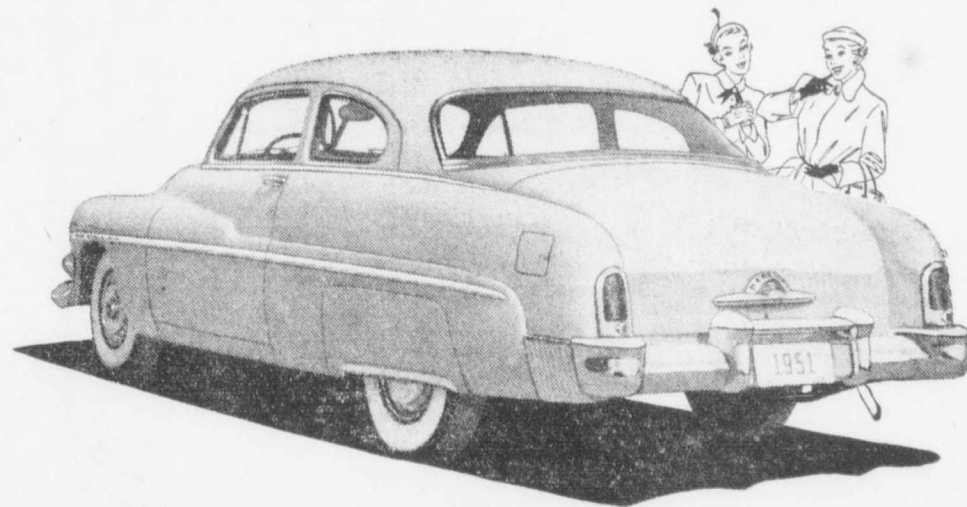

1951 Mercury offers three transmission choices: Merc-O-Matic, gas-saving Touch-O-Matic overdrive, or standard transmission.

TODAY, when you buy, it's just good business to get a really new car—for longer life, higher resale value. So see the 1951 Mercury for "the drive of your life" and "the buy of your life."

This Week With

VILLAGERS

Jackie Sheklow is two years old!

That amazing, to Jackie, fact was celebrated with a party attended by classmates at Palm Springs Play school last week. His father, Laurie Sheklow, took pictures of the festivities while his mother and his grandmother, Mrs. Anna Perlin, guided the toddler-guests in playing games and adjusting paper hats. School Director Ella Olsen led entertainment stunts.

Tiny guests included: Billie McGlamary, Suzanne Silverstein, Teddy Warts, Johnny Cressey, George Chaney, Melody Hornstein, Susan Waller, Patricia and Stevie Kehl, Robert Sherrill, Bobby Sandoval, Suzanne Murtaugh, Carol Ann Paul.

Mr. and Mrs. Lester W. Shaw of Calle San Antonio entertained Mrs. Shaw's sister and brother-in-law, the E. M. Mays of Rivera as house guests and diners at Town and Country last weekend.

After a brief honeymoon here, Bob and Joanne Thompson, son and daughter-in-law of the Claude Thompsons, local stationers, have departed for their preparation stations: Bob to a camp in Northern California, the bride to her parents' home in Los Angeles.

Claude Thompson is a brother of famed local "photog" Gayle. The Claude Thompsons have contributed two other sons to the war effort: James, stationed with the air force at Puerto Rico, and Richard, in charge of landing troops in parts unknown.

Charades highlighted the recent soiree celebrating the birthday of Mrs. Maurice Smith at the Camino Buena Vista home of the Don Millers. In addition to the Smiths, the Millers entertained and Bob Clark, Joe and Marion Elcher, Jan and Fritz Blotter, Bill and Barbara Foster, Virginia Fun and games!

The Don Ericks, only temporarily of Seattle, have returned to make the Village their permanent home. Ericks will resume his soft-ball activities with the Village Jay-See team and the Ericks children will resume their

happy life with local school-mates.

Former Villager Janie Jeffries Naujoks and Husband Bob, now of Smogville, lured Sister Betsy, with Willard McKinney, and sons David and Michael, for a visit, by cooking the turkey. Janie and Bob have a small son, name of Bill.

St. Theresa's school Seventh and Eighth graders hiked to Tahquitz falls last Friday afternoon, finding no falls but much beautiful scenery and the largest tarantula the children had ever seen.

Intrepid Sister Bernadette led the expedition, with Elaine Cooper, in temporary delicate health, riding on a burro named Sam, her mount supplied through courtesy of Kenneth Johnson of the local Burro train.

Only mishap of the journey was loss of a valuable light meter, encased in a canteen, for which the St. Theresa Sisters offer a reward.

Mrs. Mary Beck of Redlands entertained daughter and son-in-law, Esther and Alvin Weingarten and the Don Millers for Thanksgiving dinner at her home in the neighboring city.

Bouncing back with verve unimpaired, Mrs. Ed Gomond, popular North Indian avenue shopkeeper, recovered from recent illness in time to handle traditional Thanksgiving boom in the Gomond specialty, and by-products.

Really surprised by a party on her birthday was Mrs. Alfred F. Patane of Cathedral City last week when, according to a plot arranged by husband and the Ed Hawkins of Palm Springs, she quite suddenly was honored with a fancy dinner at the Totem Pole.

Four-year-old Barbara Jean Wise, petite daughter of Mr. and Mrs. William F. Wise of North Indian avenue, had a birthday party this week. Congratulating "Babs" were Betty Jane and Patty Pry, Susie Brown, Bobby Keatly, and Freddy McLean. Games were enjoyed by the little folks.

Desert Art Center Board Hears Report of Success

Board meeting of the Coachella Valley Desert Art Center was held at the headquarters in Cathedral last Tuesday evening. The report of the treasurer, Mrs. Leslie Kelley was applauded when she said that all the bills were paid and there remained a favorable balance.

Mrs. James K. Wolseth, chairman, reported that the opening of the gallery Nov. 15 had been attended by 250 registered guests and many others who had slipped by the guest book. Since then there had been daily visitors with sales in artists' supplies mounting. Two paintings by Marjorie Reed had been sold, the first gallery sale being made to Walter Melrose, Sunair, and the second to Gladys Miller, Palm Springs. Many professional artists have applied for membership including Burt Proctor, James Swinnerton, Galen Doss, Axel Linus, Kurt Reinman, Hilton McCoy, Joan Cromwell, Vera Staples, Evelyn Nunn, Miller and others, who all expressed pleasure that the desert region had at last opened a non-profit exhibit and art supply center for and by the artists and patrons of art. A letter of congratulation was read from Mrs. Blanch

Turonnet, Palm Springs and her application for patron life membership was accepted.

Mrs. Wolseth further reported that a letter of thanks had been sent to board member William P. Krehm who was solely responsible for the hanging of the first exhibit. Mr. Krehm, a nationally known painter, has served in the past on many art juries and recently made his home in Banning. Mr. Krehm was asked to be Director of the first exhibit when Mrs. Harriet Day, listed as Gallery Director in the opening announcement folder had found that her new position with the Palm Desert Magazine gallery was taking too much of her time to permit justice being done in a volunteer capacity with the Art Center. At the meeting Tuesday night Mrs. Day reiterated her interest as a board member in an advisory capacity. It was then decided that each of the coming exhibitions would be handled individually.

The board voted to give a Christmas party for its new members Saturday Dec. 16 at Mrs. Irene Urbach, newly appointed corresponding secretary, was instructed to mail membership cards together with an invitation. Mrs. Miriam (Billie) Williamson, resident manager, accepted the chairmanship for the first membership event.

Mrs. Randall Henderson reminded the board that it had been voted to limit the active membership between now and the first election in April 1951 to a total of 100 active members. Already a total of 48 members had been accepted four of whom were sustaining and four patron members.

Mr. Alex Staples, Indio city attorney and legal counselor for the Art Center, attended the meeting with Mrs. Staples and was thanked for his services of incorporation.

Joint Celebration For Thanksgiving And True Park

Celebrating Thanksgiving plus the completion of a true park on the grounds surrounding their homes-on-wheels, Rancho Trailer folk held a pot-luck supper attended by 300 residents of the grassy and flower bedecked winter community on South Palm Canyon last week.

Mr. and Mrs. Jack Hills were chairmen for the event, with door prizes donated by the Hills and the Harry Parkers. The orchestra which enlivened the occasion in the recreation hall was composed of Trailites Mr. and Mrs. Al Teubert, Mr. and Mrs. Ward Strickland and Hobart Alter.

Entertainment committee also consisted of: Miss Alma Armstrong, the Ray Banks, Myron Coadys, Duke Elezars, Mrs. Ted Grice, Mrs. Harold Hart, Mrs. Mrs. Ruth Lanen, Mrs. Will Mills, Cecil Kitchen, the Carl Kleins, the Charles Minters, the Ken Powells, Miss Betty Sparling, Mrs. Jeanett Storck, and the Lee Strobls.

Society

Portrait of the Week

BY BERNARD OF HOLLYWOOD

Mrs. Kenneth Kirk, winter colony social leader, holds her two daughters, baby Helen Cecelia and two-year-old Cynthia Grace who are important additions to the very-very young set.

With a busy toddler in the family, Mr. and Mrs. Kirk have fenced in their pool at the home on Camino del Norte with a sectional fence which can be removed when they entertain in the lanai room opening on the garden.

In addition to an active social life both Mr. and Mrs. Kirk give much time and work to St. Paul's in the Desert Episcopal church which they helped to establish here.

Shadow Mountain Holiday Packed Full With Activity

The Thanksgiving theme has been emphasized all week at the Shadow Mountain Club. Those who missed the Turkey Shoot on Thanksgiving morning, can still get in on the one to be held Saturday. Saturday is family night at the Club with entertainment planned for the entire family.

There will be a Quiz Show, turkey races and a song fest, along with music by DeVarga and his Trio and the finest food in the Coachella Valley.

Saturday entertainment commences with a ride by the Palm Desert Raiders in the morning, with the organization of teenagers age clubs and for the youngsters it will be a busy week-end of fun and frolic. For the grown-ups there will be dining and dancing and at the Rumpus Room and Snack Bar in the brand new pavilion. The new facility is now functioning and is the center of gaiety and fun at that end of the pool.

Last Saturday the Club was the scene of a reunion between founder-president Cliff Henderson, a colonel in the Air Corps during the last war, and General Atcherley, Vice Air Marshall of Great Britain. The General, a former Schneider cup winner, was on the West Coast in the interests of a procurement mission for his country and found it would be possible to make a brief surprise visit to the desert to meet his old buddy of stunt-flying days. They hadn't seen each other since before the war.

Other visitors of distinction to visit the Club last week-end in-

cluded Senator-elect Richard Nixon of California and Senator John Fleck of North Dakota. The latter was hosted by W. R. Stephens, America's largest Buick distributor. Brian Donlevy is spending Thanksgiving week in Palm Desert.

While turkey was the chief topic of conversation at Shadow Mountain Club yesterday, what with an old-fashioned turkey shoot in the morning followed by a bountiful Thanksgiving day dinner later in the day, the day also marked exactly two years of progress in spiritual matters

Speed Plans For Eastern Star Chapter

Organization of more than 100 applicants for membership in the newly created Palm Springs Order of the Eastern Star chapter was planned at Friday's meeting of 30 nuclear activators for the group at the home of Mrs. Elmo Purnell, 1414 South Calle Marcus.

Raising funds for furnishing their future chapter house, to be provided by the local Masonic order, was another main topic for discussion at the luncheon meeting, hosted by officers of the newly formed chapter of the order.

The following officers are aiding in spearheading the organization, which will hold a Christmas party-meeting at the Las Palmas home of Mrs. Harold Murphy, directorial board member: Mrs. G. C. Waller, vice president; Mrs. Fern White, secretary; Mrs. Robert Backstrom, treasurer; Mrs. William Aiken, Mrs. Hattie Schwartz, Dr. Georgianna Raymond and Mrs. Gerald Sanborn, directors.

North End Parent-Teacher Group in Session

A forthcoming panel discussion of local school aims and problems, a Christmas pageant to be presented by teachers of North End school were future events, revealed at last week's second meeting of that area's Parent-Fellowship organization.

Local radio roundtable discussion was organized by Mrs. Roger Williams, president of the group, aided by Rolly Vaile, manager of KCMJ.

Vitalizing the subject of health for parents of grammar-school pupils, Miss Elizabeth Pukas, public school nurse, addressed the group of more than 60 interested potential members of the new parent group. Dr. C. H. Woodmansee introduced Nurse Pukas.

Enlivening the occasion with music, Gus Patzner's High School trio, composed of Ron Pelton, Jean Wallace and Shirley Laidlaw entertained the parental assemblage.

The radio program for the North End group is scheduled for December 7.

BIRDIE IN THE CAGE — Polly Isenagle caught at Del Tahquitz hotel in one of the gay square dance evenings there. (Earle O. Day Press Service.)

Villagers Wed In Illinois

Word has been received here of the marriage in Aurora, Ill., last month of two former Palm Springs business people.

Mrs. Greeta Flinterman, formerly owner of Joan's Personalized Gift Shop and Howard Gubbins who owned and operated Stevens Jewelry Shop in the Plaza exchanged vows in the Illinois city.

The Gubbins will make their permanent home in Palm Springs at 180 East Racquet club road.

Enlivening the occasion with music, Gus Patzner's High School trio, composed of Ron Pelton, Jean Wallace and Shirley Laidlaw entertained the parental assemblage.

The radio program for the North End group is scheduled for December 7.

Honor Pins Presented By Auxiliary

Instituting a ceremony which will henceforth be an annual observance, Mrs. Charles Knupp, presented five year honor guards to members of the American Legion Auxiliary Unit No. 519 who joined during her term as president in 1945 to 1946. Those accepting the pins were Mrs. Mabel Bryant, Mrs. Mary L. Brush, Mrs. Gladys Burkland, Mrs. Cora M. Cornell, Mrs. Alina Dovi, Mrs. Juanita Dunsworth, Mrs. Galdyd Follansbee, Mrs. Lucille Grude, Mrs. Alice Kelley, Mrs. Doritz Kreimer, Mrs. Edna D. McKenney, Mrs. Mary Neese, Mrs. Evelyn Partridge, Mrs. Jean Patane, Mrs. Nettie Redding, Mrs. Christine Renier, Mrs. Harriet Strombom and Mrs. Louise Leveille. During the business session which was presided over by president Mrs. Cora M. Cornell, it was agreed that poppies be ordered for the 1951 Poppy sale and that the Poppy seals be put into use right away to give additional publicity to the project.

"Across From The Desert Inn"

For Power with Economy...it's High Compression!

FOR HIGH COMPRESSION... IT'S THE "ROCKET"!

Ever since Oldsmobile introduced the "Rocket" Engine two years ago, seems like everybody claims "high-compression"—but nobody explains it. The phrase simply means squeezing the gasoline into a smaller space before exploding it. This gets more power out of the same amount of fuel. But the engine must be designed for high-compression all the way through to assure smooth, quiet, gas-saving performance. The "Rocket" is 100% high-compression—from the crankshaft out. And the lowest-priced "Rocket" Engine car is Oldsmobile's "88." Makes good sense to try it soon—doesn't it?

Indians Dump Elsinore, 35-20 To Take First RCL Crown

Fourth Quarter Outburst Breaks Up Tight Battle; Brings Grid Title to P. S.

Cheered on by 300 fans who made the trip to the lake city, Palm Springs outgunned the Elsinore Tigers 35-20 Friday night to put the clincher on their first RCL title in the 13-year history of Palm Springs high.

SUN SPORTS IDELIGHTS

By GUS STEVENS

Many bouquets have already been heaped on Coach Clare Ballagh and his Riverside County League 1950, champions and there's many more to come.

And the praise directed toward the "Cinderella" team of the RCL is well-earned. After losing the season opener to Coachella, 13 to 7, the Indians went through the rest of the season without defeat—"upsetting" each successive Friday night opponent.

It seems that nobody had much confidence in the Redskins with narrow wins—nobody but a few of the more loyal Palm Springs high rooters—people like Charley Barnett who never picked them to lose.

NEWSMEN AND OTHER observers in other league cities continually talked about Palm Springs "mediocre" forward wall. It was the hard-hitting Indian backfield which made the team tick, they said.

Yet when the season was over, final tabulations showed that the Redskins were able to win the title by scoring only 95 points in the seven league games. The defensive line, admittedly with great line-backing help, held the opposition to an average of eight points per game.

No offensive backfield, however, great, could win many games without a defensive record like that to help them.

NEVERTHELESS, Riverside county has jumped on the bandwagon now and recognizes the "Cinderella" team for what it is—a championship outfit. Several of the bouquets have passed over my desk and this seems like the appropriate place to send them along to the team that earned the plaudits.

Garland Rose, sports editor of the Riverside Enterprise, thought the "most surprising" team would be edged out of the title right up to the Elsinore game, which he picked the Redskins to lose. But now he says, "Please offer my congratulations to the PSHS kids. Your Indians really went on the warpath this year, and no team can say they ran up a score against Palm Springs. The high school might as well award me a letter for picking all but Beaumont to beat them."

KENNY SULLIVAN, sports editor of the Indio Date Palm, was understandably a little reserved in his praise of Palm Springs since Coachella was the only team which defeated them in league play. However, he does say, "The sparkling play of John and Charlie Black and a great defensive job turned in by a mediocre forward wall spiced with a little luck, adds up to the 1950 version of the RCL champions, the Palm Springs Indians."

Locally, the Desert Bank was thoughtful enough to send us a note praising the locals, "we pay tribute to the Palm Springs high football team of 1950 for their stamina, skill and leadership which made them the Riverside County League champions. Our American system of free competitive spirit in sports has always produced champions. May our nation always preserve this tradition."

ADDED HONORS will undoubtedly come Palm Springs way when the all-league teams are selected, when the coach of the year is selected and when the 1950 championship trophy is resting in Palm Springs high's showcase.

Ted McKinney On Cushman's All-Time Squad

Ted McKinney, Palm Springs native, was receiving congratulatory selection on Coach Cecil Cushman's all-time squad, all-time football team.

T. C. Duncan of Indio was another all-time guard chosen by the veteran Redlands coach. McKinney won his footballing fame from 1938 to 1941, before entering the service. He returned to complete his Redlands course in 1946.

Old-Time Dodger Here 25th Winter

Eugene Cox, who pitched for the Brooklyn Dodgers at the turn of the century, from 1901 to 1904, is back in the Village for his 25th season.

He recently bought a home here. Over 70, he believes there is no place like the desert.

As the timer fired the game-ending shot the band and the few remaining Indian boosters in the stands played and sang their alma mater, but few others paid any attention. They were busy hoisting Coach Clare Ballagh and Charley and Johnny Black to their shoulders. Bedlam continued for another 30 minutes before peace was restored.

DESPITE the celebrating and talk about an "unbeatable team" the Indian boosters were a worried lot for three quarters Friday night.

The Tigers took the opening kickoff and started fast. Charlie Black fumbled early in the first quarter and Elsinore's Pat Ortiz recovered on the Palm Springs 46. Allen Baer rifled a pass to Joe Alarcon to the 30 yard stripe. Five plays later the Tigers had clawed their way to the one-foot line. Baer leaped over on a quarterback sneak.

BUT PALM SPRINGS was not disheartened. The Indians were within sight of their championship and they intended to get it.

Starting from the nine, with Dearth Davis and Johnny Black carrying, they drove to the Elsinore 39 in three plays. Then Charley Black took the reins. He scampered to the 14 before being shoved out of bounds. Johnny Black carried for 13 to the one where Charlie whirled over to the score.

Elsinore took the lead again in the second quarter on a nine yard pass from Baer to Alarcon in the end zone. Marvin Davenport kicked the first conversion of the evening.

PALM SPRINGS scored their second safety of the season soon after. The ball was centered over Baer's head as he was standing on his five to kick and before the little quarterback could pick it up it had rolled through the end zone. Score 13-8.

Three plays after the Tiger's ensuing kick, the Indians took the lead and were never again headed. Davis lunged over to the third Redskin tally.

Elsinore looked as if it might go back in the lead late in the third quarter. The Tigers drove to the Palm Springs 35, but there Bill Spencer intercepted a pass on the 20 and dashed down the sidelines to the Elsinore 19 and the Tigers were beaten.

IN FOUR PLAYS Don Hensen raced over for the TD and for all intents and purposes the Indians had the title. To cement the lead Palm Springs went on a 54-yard march in the final period with Hensen again going over. Both conversions were good and it was 28-13.

A short time later Barry DeVorzon broke loose for 41 yards to the Elsinore three and the next play made the final Indian tally for a 35-13 lead.

The Tigers hit pay dirt with less than a minute to play as Baer pitched to Johnson—but it wasn't enough to stop the march of the Indians toward their first Riverside County League title.

Whiles Starts Tennis Clinic

Although the Palm Springs Tennis club has not officially opened for the season, Dennis Whiles, tennis instructor, has begun instruction at his Tennis Clinic there. He has been teaching his pupils forearms and backhands for the past few weeks.

A member of the Far West Ski Instructors association, Whiles formerly taught skiing with the staff of the Sugar Bowl Ski school in the Donner Summit area.

Missing from the picture were: Charlie Black, Don Henson, Gary Sanders, Ed Griffing, Allen Bond, and Dearth Davis. (Photo by Hotchkiss and Maloff).

Haddock Attends Sports Parley In Los Angeles

City recreation director Howard Haddock represented Palm Springs at the First Annual Sports Conference at Chevoit Hills clubhouse in Los Angeles last week. The meeting was attended by city athletic and recreation leaders from throughout the state.

Several speakers addressed the group at the 12-hour session. Ted Bank, former head of U.S. Army recreation, told of the federal government's increasing realization of the importance of recreation for youngsters and grown-ups alike.

William Frederickson Jr., superintendent of Los Angeles recreation, said that in large city areas where adequate children's playgrounds have been provided juvenile delinquency has dropped 70 per cent.

Arvid Pauls, state recreation commission head, condemned the many large new city subdivisions—he mentioned Los Angeles' Lakewood by name—for not providing playground facilities for children. Pauls also criticized the government for classing playgrounds with gambling halls in its recent ban against amusement buildings.

CITY BASKETBALL LOOP STARTS MONDAY NIGHT

City league basketball play gets underway for 1950 Monday night at Palm Springs high gym when the ball is thrown in the air to start the first game of a two-week tournament.

Play will start at 8 p.m. on Thursday two more games at 7:30 and 9 p.m. will go by the boards and half of the six teams will have been eliminated from the tourney. The second week

INDIANS START DRILLS FOR PLAY-OFF CONTEST

Now that the RCL championship trophy has been officially presented to Palm Springs high, at a Wednesday morning ceremony at the school, Coach Clare Ballagh and his Indian gridders are looking forward to their date with St. Bernardine high at 2 p.m. tomorrow at the Orange Bowl in San Bernardino.

Coach Ballagh drilled his charges hard this week, although the gridders were given a day off for Thanksgiving, in preparation of new plays to throw against the Crusaders. Pass defense was also high on the practice agenda.

IT'S THE FIRST STEP in the race of the coveted CIF southern group title. St. Bernardine is champion of the newly-formed Arrowhead League and a definite underdog tomorrow afternoon. When the two teams opened their season this year against each other, Palm Springs rolled over the Crusaders, 39 to 0, for their biggest score of the season.

Two other southern group play-offs also will be settled tomorrow. Escondido, Metropolitan league champs, will meet San Diego. Southern league king pins in the Grape city.

THE ORANGE LEAGUE leaders and the best in the Tri-County league will also knock heads tomorrow. The Imperial Valley league champs draw a bye. The calibre of all of the league champions in all three groups of leagues assures top-notch competition in the 1950 CIF Southern Section playoffs.

one club will draw a bye and then meet the winner of the other two finalists. Two trophies will be awarded, one for the winning quintet and one for the outstanding player in the tourney. Recreation director Howard Haddock emphasized that team managers must turn over their registration fee and team roster to him before they can compete.

Indians Idle as Six RCL Schools Clash in Carnival

Six teams of the Riverside County League, with Elsinore and Palm Springs idle, participated in the first annual county football carnival at Indio Wednesday night.

Coach Johnny Williams of Elsinore said that his team was withdrawing because of a heavy injury list in addition to afternoon and evening employment by several team members.

Informed of Elsinore's action, Coachella Coach Alex Alexander immediately freed Palm Springs from a playing engagement since the Redskins are practicing for the post-season CIF playoff with St. Bernardine high. Coach Clare Ballagh was willing to perform but since Elsinore's departure in the carnival Wednesday night, left an odd number of teams, the Indians were permitted to withdraw.

RCL Grid Champs Pose For Picture

Favorites Come Through in Final Games in Season

As Palm Springs rolled to its first RCL title Friday night, the other three favorites of the evening also came through with wins for an upsetless finale to RCL play in 1950.

Hemet, in hopes that the Indians might blow their title-clincher, turned on the power to smother an outclassed Banning eleven, 35 to 0. The visitors scored in every period and choked off all Banning offensive threats before they were started.

Dwight Webb and Bob Glover were the big guns of the smooth Hemet attack. The former ran for two touchdowns and passed to Bob King for a third tally. Glover, while remaining scoreless himself, was consistently one of the best men on the field.

Banning's chances of registering an upset went aglimmering in the second quarter when the Bronco co-captains, Guard Mickey Barber and Halfback Max Milton, were injured and unable to play. Jim Belcher, another Banning flash, had the flu and was unable to suit up.

Third place San Jacinto exploded its wrath at being denied its third straight RCL title this season by taking the Beaumont Cougars apart quarter by quarter with a 54 to 6 rout. They protected a three-year record of never having dropped a conference game on the local turf.

SAN JACINTO'S offense never reached its full potential until last night and before the lopsided games was in the books, many freshmen and jayvee gridders has gotten into the game—mostly in the third and fourth quarters. Halftime score was 15-6.

In the evening's fourth contest, hapless Coachella was again had—this time by the Perris Panthers in a 40-6 thumping. With the win Perris notched fourth place in the league. But for the Arabs it meant an undisputed grip on the cellar.

Weekend Fishing

Jaunt—in Honolulu

Charley Farrell, mayor of the Village, and Ben Meyer, banker, are going fishing this weekend—to Honolulu. They will fly to the islands,

Six New World Marks Hung Up In Salton Races

Six new world records were set last week-end at the four-day Salton Sea Regatta at Desert Beach as more than 250 entries churned over the staked out course before large week-end crowds.

The final record was shattered Sunday as Louis Novotny drove his Pacific hydroplane Cherub II to shatter his own former record. He drove 54.5 mph to break the world mark of 53.7 mph.

Lou Meyer Jr., son of the three-time winner of the Indianapolis 500-mile classic, broke records with a 71.8 mph sprint Friday over a straightaway mile. Monday he had his craft up to 84 mph when the engine began to fall apart, halting his attempt to break his own record.

Only one accident marred the glassy waters of the Salton Sea. Sunday Manuel Jacinto, Sacramento, outboard star, suffered a sprained ankle and bruises when his F-hydroplane flipped over.

do a bit of deep sea fishing, and fly back. They'll be gone five days.

FOOTBALL FANS' CORNER

Dick Dunkel's COLLEGE FOOTBALL POWER INDEX

EXPLANATION—The Power Index provides a direct comparison of the relative strength of any two teams for this season to date. Thus, a 50.0 team has been 10 scoring points stronger than a 40.0 team on their comparative records, in which scoring margin has been weighed against strength of opposition. This does not necessarily mean that a 50.0 team should defeat a 40.0 team by exactly 10 points in the future. Teams rarely follow past performance that closely. The Dunkel system correlates records of all college teams and was started in 1929.

Reed Hubbell Takes Over All of Drive

Lucien Shaw Resigns Chairmanship Due to Absence from Village

Lucien Shaw, appointed chairman of the annual Community Chest drive at the beginning of the season, announced this week that he had tendered his resignation due to inability to be in town for the campaign.

He announced that all credit for the drive should go to Reed Hubbell, named co-chairman when Shaw was called to Washington, D.C. earlier this month.

HUBBELL, HE SAID, had been doing all of the work as he, Shaw, had to be away on business in the national capital and in Los Angeles.

His letter to directors of the Palm Springs Community Chest said, in part:

"It is with great regret that I find myself unable personally to participate in the campaign work. During my stay in Palm Springs last week, however, it became apparent to me that under the capable and enthusiastic direction of Reed Hubbell, the campaign has most excellent leadership. Our community is to be congratulated upon Reed's willingness to render this great civic service."

"IN VIEW of my recurring and inescapable absences from Palm Springs, I think it is time that the leadership of the Community Chest campaign be clarified. Therefore will you please accept my resignation as chairman of the campaign."

"In resigning, I am assuming that the campaign will continue in the capable hands of Reed Hubbell as chairman and I send my very best wishes to him and to the Community Chest for the success of the campaign."

Ceremonies Mark Laying Of Cornerstone of Church

Another milestone in the history of the Palm Desert Community church was passed on Thursday when, marking the second anniversary of the founding of the church, the Thanksgiving service took on the color of that occasion.

With a very modest beginning two years ago, the church now occupies a large place of worship and social activity for the entire community.

AT THE CLOSE of the worship service, the assembled multitude proceeded to the part of the building in which the cornerstone was set.

Participating in the ceremony were representatives of the various groups within the congregation, both young and old.

A metal box was handled by Mrs. Frank Little, Sunday School superintendent, in it, Larry Lichty and Beverly Moore placed a list of the scholars, and photographs of the various steps of progress made by the church.

A copy of the Holy Bible, carefully wrapped in tin foil was placed therein by Mrs. John Robertson Macartney, who is also pianist for the church and Sunday School.

COPY OF THE DEED of trans-

fer of the property was placed there by Clifford Henderson, head of the Palm Desert Corporation which gave the site for the church.

The constitution and bylaws were placed by Mrs. Frances Knox of Rancho Mirage, who is secretary of the board.

A list of the officers and members of the Desert Guild was next deposited by Mrs. Robert Ellisworth, president.

A list of the charter members and of the present membership list was entered by Floyd Mitchell, treasurer.

Other documents were also deposited by Ralph O. Caplinger, a member of the building committee.

THE BOX was then sealed and placed in the corner stone, which was then put in place by Carl Henderson, chairman of the building committee, Barry Frost, architect, and M. K. Jordan of Rancho Mirage Stone company who prepared the stone and engraved the words thereon, "Palm Desert Community Church, 1950."

Dr. J. R. Macartney, pastor, then conducted a responsive service and gave a brief history of the church.

Village Scouting Now Flourishing Committee Told

Palm Springs district committee of Riverside county council, Boy Scouts of America met last Wednesday at Frances S. Stevens school with Herman Reich, chairman, presiding.

Chief item of business was discussion of plans for the Boy Scout Court of Honor to be held at American Legion hall the evening of December 7. Jacques Crommelin and Ed Dering are in charge of this event.

A COMMUNITY pot luck dinner for Scouts, parents and friends will precede the Court ceremonies and moving pictures of the National Boy Scout jamboree at Valley Forge, attended by seven boys from this district, will be shown.

Announcement was made of formation of a new Boy Scout troop to be sponsored by St. Theresa Parochial school. Roy Haggard will be Scoutmaster.

An official Explorer's post is also to be formed. Employers are the older boys in Scouting. The Desert Bank will sponsor the post and Douglas Doyle will be the leader.

SCOUT LEADERS and adults interested in Scouting are invited to participate in an outdoor training program at Camp Emerson, Reich said.

Harry Hill will be in charge of this event dates for which are December 9 and 10. Reich invites all interested in attending to notify him at 7932.

The local commissioners voted thanks to Irwin Schuman of the Chi Chi through whose efforts Village Scouts now have an archery range. Schuman generously donated targets, bows and arrows from the range formerly located on South Palm Canyon drive to the boys.

Altar Society Of St. Theresa Sponsors Sale

Members of St. Theresa's Altar Society will sponsor a rummage sale on December 1 and 2 at 354 North Palm Canyon drive, from 10 a.m. to 4 p.m.

The net will be for the benefit of St. Theresa's church activities.

Cub Scouts See Two Indian Films

Cub Scouts of Den 1 had the pleasure of seeing two films on the Navajo Indians at the Desert Museum last Thursday. The project of the Cub Scouts of Pack 80 of Palm Springs for the month of November is the Navajo Indian and the film gave the boys of this den a wonderful idea as to the life these Indians lead.

Friday, December 1, a Pack meeting will be held at the North End school and these boys will have a chance to show what they learned through these films shown to them by Lloyd Mason Smith.

Boys viewing the film from Den 1, led by Mrs. Adele Brott included; David McKinney, Larry Purcell, Joe Henderson, David Squagilo, John Murray and Tomlinson, Skippy Bourne, Bob Edwin Fox.

Episcopal Guild Meets Tuesday

Episcopal Guild of St. Paul's-in-the-Desert, will meet next Tuesday at 11 a.m. in the home of Dr. and Mrs. W. J. Harrison, 1477 Riverside drive. Members are also asked to bring picnic luncheons. Visiting churchwomen will be welcome.

The dinner and Canasta party announced by the Guild for Nov. 29 has been set forward to Dec. 5 at 6:30 p.m. to avoid conflicting affairs in the Village. Christmas gift articles will be on sale.

Christian Science

Broadcast Sunday

A Columbia Church of the Air program under the auspices of the Christian Science Committee on Publication for Louisiana may be heard over Station KNX on Sunday, November 26, at 7 a.m. The subject of the address will be "Be Ye Steadfast."

Church Society Meets at Home Of Mrs. Holland

Last Friday the National Council of Catholic women held their monthly meeting at the home of Mrs. Tom Holland, 277 El Portal.

Plans were discussed for the coming luncheon to be held December 6 at Shadow Mountain club also plans for the rummage sale to be conducted December 1 and 2 at 354 North Palm Canyon drive for the benefit of St. Theresa's church.

After the business meeting, canasta and refreshments were enjoyed by the gathering.

Jewish Women's Group to Meet On December 5

Dec. 5 at 1 p.m., Palm Springs Jewish Women's group will hold its regular meeting at the Jewish Community Center, 332 West Alejo road. Mrs. Leo Baker will preside.

December, being the month of the birthday of Henrietta Szold "Mother of Youth Aliyah", a major portion of the meeting will be devoted to the important project of Youth Aliyah. The need for the care of 45,000 refugee children in Israel inspired the Palm Springs Jewish Women's Group to plan to build, in Israel, a children's home to be named "Palm Springs Home."

FIRST CHURCH OF CHRIST, SCIENTIST, PALM SPRINGS

A branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Sunday service, 11 a.m.

(Woman's clubhouse), 314 So. Cahulla Rd.

The reading room, located downstairs in Colborn Center, is open daily, except Sundays and holidays from 12 to 4.

Advent Sermons Will Be Subject Of Rev. Hogarth

The Rev. Robert M. Hogarth, rector of St. Paul's in the Desert Episcopal, will preach a series of four Advent sermons on "The Sheep of the Bethlehem Pastures."

"Advent means the coming of Christ to save the world. It is a cheap and trashy doctrine of the present day that the world of the Year One was so rotten with sin that God just had to send Christ to earth to save them," said Rev. Hogarth.

"But common sense tells us that only good attracts good, and evil attracts evil; that there was

The Desert Sun—9

Palm Springs, Fri. Nov. 24, 1950

so much good in that Year One that God could send His Son to make the world better. The morning sermon this Sunday will be "Neglected Sheep."

Thanks for GIVING before Thanksgiving.

Reveal Plans For Shadow Mountain Club

Extensive Changes To be Made; Great Growth Told in Report

Plans for extensive improvements were announced last week at the annual meeting of the board of governors of Palm Desert Corporation in session at Shadow Mountain club. Reports of the great growth of the area and club were heard.

Among plans announced were those for a larger post office building to replace the Class Two post office built last year.

AFTER TWO DAYS inspection and extended consultation, the Board of Governors decided to improve the Shadow Mountain Club House facilities to make it the most complete family club in America. To the present arrangement, now valuing approximately \$1,000,000, the board approved plans for a teen-age milk bar, a rumpus room with a television and motion picture theater, and steam and rock bath facilities which will be added to the rear of the rambling club house.

CLIFF W. HENDERSON, managing director of Shadow Mountain and one of the original pioneers of the entire development two years ago, announced to the board that larger facilities were made necessary by the increased number of established residences. At the beginning of the month of November there were 61 homes completed or in the final stages of completion. By the end of the month, Henderson stated, there would be a total of 99

Salary Hike Voted Rink By Council

Retroactive to the beginning of the fiscal year, City Manager Russell Rink was voted a \$30 monthly raise this week by city council.

Councilman Florian Boyd voiced the sentiments of the group in commending Rink for his service to Palm Springs. "Mr. Rink's excellent work has certainly earned him this pay increase, which, if anything, should have come sooner."

"His expert knowledge of city administration has resulted in savings for Palm Springs which have been many times his salary. He has shown us how to cut corners and take advantage of opportune situations on several occasions," said Boyd.

Captain Gibson has lived in Latin America for the better part of 36 years. He returned to the United States in 1946. Although he has been active in steamship being and mining, he is no stranger to the desert, his early years having been spent on the Mojave and Colorado deserts. During his years on the desert he followed all the gold booms, prospected and mined, even spent some time searching for the lost Breyfogel and Peg Leg mines. He was in later years, co-owner of the Canada Honda (Deep Canyon) Placer Mines in the wilds of Argentina, where for several years, he fought floods and bandits with nominal success.

homes in the Shadow Mountain Estates, and five new Sun Lodges for families who find it more convenient to stay at the bungalow hotels when visiting the desert.

Sand Doin's

THANKS-GIVING: Always thought someone showed a lot of good sense by having Election Day BEFORE Thanksgiving Day. Had he not shown so much forethought, the pre-election tension and heated debates would produce a case of double indigestion. Today's stomach disorders can be safely diagnosed as over-indulgence, and that is one thing to be thankful for this day-after Thanksgiving.

AUTHOR WITH HORSE SENSE: The desert is proud to claim Carl and Gertrude Raswan as new residents. Mr. Raswan is an outstanding authority on Arabian horses and is credited with having started Kellogg's Arabian Horse Farm. He has already chalked up 27 trips to Arabia and is a successful author, with one of his books "Drinkers of the Wind" now in its ninth edition. The Raswans have just purchased the Bentzen ranch on Avenue 38, near Wonder Palms. Friends of John and Christine Bentzen were glad to learn they will still be around, residing now in Palm Springs.

MIRAGE-MEDLEY: At Rancho Mirage—Marilyn Dion and her year old twins (no illusion). Randy and Denny as houseguests of Ward and Zelma Copley. . . . Hugh and Wanda MacVey visiting their home here and reporting that they'll be visiting more often since they've moved from Kansas to Whittier. Hugh is a top-flight engineer, formerly with Boeing and presently with Douglas. . . . Mr. and Mrs. Arnold Poppie of Oxnard visiting Dr. and Mrs. Jack Brady on their Sahara Road home. . . . Luella's Dress Shop opened this week by owner Luella Grafton who gave up a top accounting job with a Long Beach concern because she was so intrigued by the desert. . . . And just across the highway, another new shop owned by Jim and Madeleine Henson who specialize in dates, almonds, and Mexican imports. Jim and Madeleine are from Atascadero where they owned a wholesale almond business. . . . Beth Mauzy is convalescing at the El Rancho Apartments owned by Beth and Milt after major surgery on her spine at Mayos in Rochester. She is able to sit up about 3 hours a day and her many friends wish her speedy recovery.

NET GAIN: One who is temporarily forsaking the desert for "net profits" is Ed Jones who will be teaching tennis at a prominent club in Florida this winter. Ed owns a home in Rancho Mirage where he usually winters and was former pro at El Mirador when "Dutch" Smith was swimming pro. This summer he taught tennis at Lake Arrowhead Yacht Club and just recently turned down a similar position in the Bahamas where he was visiting to take up his racquet in Florida.

INTRODUCING: Marcello Griffith Noonan (known to her friends as "Josie") who looked

Col. Ellsworth Exclusive Agent

Col. Bob Ellsworth has recently been appointed exclusive sales agent of Panorama Ranch subdivision at Palm Desert by John Harnish, Col. Ellsworth, broker in the Palm Desert area has high regard for the vision and plans of Harnish, for accomplishing a friendly, casual desert community.

"I am a great believer in the future of the Palm Desert area, particularly the small but exclusive Panorama Ranch theme of desert living at its best, without an expensive splurge," said Col. Ellsworth. This area provides recreation of all types, to suit every taste and pocketbook of those who love the desert. The sports coral at Panorama Ranch provides a place for informal hospitality of the most pleasant kind—a place to gather and make friends. There is a swimming pool, barbecue, shuffleboard, good old horse shoe pitching and square dancing. There is horseback riding, and if you are not inclined toward exercise—the breathtaking view of the valley is a constant pleasure.

Another Breakfast Ride on Saturday
Dale Stoner has announced another in his series of popular breakfast rides to be held Saturday morning. This week's ride will rendezvous at the cave beyond the police range on highway 111 between Palm Springs and Cathedral City. The public is cordially invited!

Deadman Curve To be Eliminated

State highway engineers were studying bids this week for work on the Morongo canyon road. The bids were opened in Los Angeles Friday.

The planned work calls for elimination of "Deadman's Curve" about seven miles north of the junction of the road with Highway 99 north of the Village. Work is expected to start soon.

From Page One—MORE ABOUT THIS SIDE

ficially changed its name. . . . Being right across the street from Palm Desert, it took on the name of that glamour subdivision. . . . Mayflower could have gone on. . . . He didn't mention Twenty-nine Palms, Forty Four Palms, Lone Palm, Wonder Palms, and how could he overlook Thousand Palms? . . . The whole thing came about when supervisors approved a map for a new tract at Two Bunch Palms.

JOHN MUNHOLLAND, who went to Florida to attend a real estate convention, sends a postcard from Miami Beach showing a row of hotels along the ocean. . . . "We should have more hotels like these," he penned. . . . "They are building 20 more here to open by January 1. . . . And we have trouble in getting one re-opened. . . . Conky Conkwright has a little change to the Russians accused of dumping potato bugs on Germany. . . . I accuse them of dumping flies on us. . . . Never saw so many as now." . . . Charley Littler, FSP advertising mogul who got married the other week and is now honeymooning in Mexico, is expected to pay the Village a visit on his return. . . . Understand he has taken up politics and has joined the fight against Secretary of State Acheson. . . . Acheson is one of the three guys he doesn't care much for. . . . The other two are Topeka and Santa Fe.

And that right after Thanksgiving Day. . . . But you can start being thankful all over. . . . Here comes that period.

Cement Mill Plans Dealt New Setback

Government Disposes Of Machinery Sought By Guiberson Concern

The General Service Administration in Washington, D. C. announced this week that all of the surplus material for sale at a Baton Rouge, La. dump has been sold to the Ideal Cement Co. of Denver, according to word received by City Attorney Roy W. Colegate.

Included in this material is the surplus cement manufacturing machinery which Samuel Guiberson attempted through months of court battles to buy for a local cement mill. Apparently, Guiberson has lost his long battle to construct his cement plant here—at least if he needed to use the surplus equipment.

THE IDEAL CEMENT CO. paid over \$800,000 for the machinery. Several months ago Guiberson filed charges in Washington that a conspiracy existed between General Services Administrator Jess Larson and the Ideal Cement firm to keep him from building his much-fought-over plant. Guiberson claimed he had paid a first installment of \$32,029 for the equipment but that Larson refused to accept his second payment.

GUIBERSON attempted to get an injunction against Larson. The court denied Guiberson the injunction but he immediately appealed the decision. Later at a hearing his appeal was turned down.

Now his long battle for the cement equipment has finally been lost.

Desert Hospital District's Tax Among Lowest in State

Kenneth Kirk, president of Desert Hospital District, reported to members of the organization Monday on action taken at the Santa Barbara convention of the Association of California Hospital Districts last week, detailing interesting action taken at that meeting.

Kirk said that it was decided to disband the organization after two years and to form an Association of California Hospital District Directors.

This new group will interest itself in the political and taxation affairs of California hospital districts leaving the Association of California Hospitals to center its attention of administrative affairs, Kirk said.

Kirk also brought home some

interesting figures for local consumption on taxation. He said that the Desert Hospital district tax rate of 21 cents—15 for hospital purposes and 6 cents for retirement of bonds—was among the lowest in the state. Some ran well over \$1.00 and the state average was 35 cents.

He also said that the cost per bed of the new hospital being built by the district on Via Miraltes was well below the average cost per bed of hospital construction in the state.

Kirk was elected president of the newly formed association of California hospital district directors at the Santa Barbara meeting.

Next meeting of the newly formed group will be at Paso Robles in February next year.

No Statement at Present On Further Tram Steps

No official statement regarding the future of the Mt. San Jacinto tramway was available following a meeting of the Mt. San Jacinto Winter Park Authority held at the Desert Inn Sunday.

Earl Coffman, president of the Authority announced that a statement would be issued following the return from Washington, D. C., of Henry C. Lockwood, legal counsel for the tramway board.

The meeting was called, it was announced earlier to discuss the action of the Secretary of the Interior in turning down the application of the Winter Park

Authority for a right-of-way across National Park land for the aerial tramway.

Counsel Lockwood was in Washington, D. C. at the time the decision was handed down by the Department of Interior Secretary.

The adverse decision was based on the opinion of the solicitor for the department of interior which cited that the secretary of the department does not have the authority to grant a right-of-way over park lands under the provisions of an old railroad act, upon which the application by the Tramway Authority for permission to cross park lands was based.

Chamber of Commerce Party Attracts Merry Throngs

Hundreds of Palm Springs celebrants got an early start this week as they flocked to the Chamber of Commerce annual party at the Wars Memorial hall Wednesday night.

The crowds overflowed the hall and spread out onto the patio in their quest of dancing, party games, refreshments and food.

RED NICHOLS and his Five Pennies played until the wee hours for dancers. Those finding the floor too crowded for dancing found plenty of other entertainment.

Chamber president Keith Herbert said, "The chamber is very pleased with the fine turn out for our party. Our annual get-togethers are always a success because we show our guests a bang-up time for their dollar donation."

MILT HICKS was chairman of the party with George Stiebe as vice-chairman, Dale Stoner as food chairman and Oliver Jaynes as publicity head. All the party officials and their staffs worked for days before the event decorating the hall, arranging en-

tertainment and gathering food and other refreshments for the guests.

Local organizations helped make the party a success through their large ticket sales. Their incentive was provided by a bonus of fifty cents out of every dollar ticket sold.

Order Rehearing On Guardianship

Mrs. Thelma Davis, owner of the Colonial House here, was rehearing in the guardianship case brought by her daughter, Mary Ryan O'Brien in which the latter was named her mother's guardian and also given control of the property.

In the original hearing Judge John Gabbert of superior court ruled Mrs. Davis incompetent.

William Shaw, her attorney, last week asked reopening of the case, declaring he had new wit-

Rink Addresses Village Rotarians On Tax Affairs

Palm Springs Rotarians, meeting for their regular weekly luncheon Wednesday at the Chi Chi club, heard a 25-minute talk by City Manager Russell Rink on "The City." The majority of Rink's discussion concerned city administration.

Answering local complaints of this year's high tax rate, Rink said, "The combined rate for most property owners in Palm Springs this year is \$5.32 per \$100 of assessed value. Twenty-four per cent, less than one quarter of that amount, goes to the city. The county takes 36 per cent, the schools 31 per cent, and other agencies seven per cent."

"I'm not trying to pass the buck to any agency of government. I'm merely trying to get the point across that if you property owners want lower taxes, there are a few other stops you have to make after you leave city hall."

Group Discusses Formation of New Society

Miss Lee Keith and Mrs. Hulda Schaefer entertained a group of Palm Springs business and professional women in their home at 575 Vista Oro on Sunday from 4:00-6:30 p.m. The tea table was decorated in the harvest and Thanksgiving motif. There was discussion as to whether this group would be interested in organizing and becoming a Palm Springs Council of the Christian Business and Professional Women of America who sponsor and support Youth Home Missions in rural America. The afternoon was brought to a close with a short devotional—a picture interpretation of Sallman's famous painting "Head of Christ." Those attending the tea were Kathleen Amos, Barbara Root, Georgia Storz, Pat Murphy, Alta Weide, Jeanne Todd, Jill Kellogg, Jennie Leoncio, Lorene Emery, Hazel Redfern, Peggy Filer, Helen Sayre, Billie King, Etolia St. Clair, Charlotte Luther, and Mae Fillmore.

nesses to testify that Mrs. Davis was not incompetent.

Judge Gabbert granted the appeal and set December 1 as date for the new hearing.

New Fords With "Ford-O-Matic" Drive in Village

"Ford-o-matic," the latest development in automatic transmissions, recently perfected by Borg-Warner, is one of the 43 "look ahead" feature changes in the 1951 Ford.

Proclaimed "Look Ahead Day" by the Ford dealers of America, today is the date the 1951 Ford will be unveiled for public showing.

"Ford-o-matic" will be available in only 10 per cent of production models for the first few months.

Villagers may get their first glimpse of the new models today at Central Motors and as a special showing in the Plaza theater outdoor patio.

Christmas Seals Campaign Begun In Village Area

Stanley T. Boggess, executive secretary of the county Tuberculosis association, was a Palm Springs visitor this week and said that more than 43,000 Christmas Seals letters have been released to homes in Riverside county.

"An effort has been made to reach as many local residents as possible with Christmas Seals, so that everyone may have some share in the fight against tuberculosis," he said.

Funds raised in this area will be used for the prevention of tuberculosis by education, school health services, free X-ray projects and research.

"Our best chance to hold the gains made in the fight against tuberculosis is to keep the tried and effective methods of attack working, and we anticipate a generous response of this year's appeal," he said.

This year's seal is a design submitted by the nationally artist, Andre Dugo, and depicts a choral trio of angles on a red and green background.

For the First Time Bus Uses Anza Road

On its way from Oceanside to Dallas, the first Continental bus to tour the Anza road reached Indio last week.

The company was granted permission to use the Coachella Val-

12—The Heart Sun

Palm Springs, Fri. Nov. 24, 1950

ley to Ocean highway last year by the state public utilities commission but did not make use of the route until last week.

The full-sized 41-passenger vehicle had no trouble negotiating the curves or grade on the Anza road.

(Adv.)

Jim Chandler's Corral

Greetings from the Stables! It is good to welcome back those who make the desert their winter home. Bill Seruys and Guy Hayden and their families are the first comers. Mrs. Grabner is here now. Mrs. Juana Warner will be here by holiday time.

Lovers of good horseflesh will delight in seeing Dora Lee, registered American saddle bred chestnut mare in action. Dora Lee has never been defeated in her three gaited classes. Two of her colts, La Quinta Boy and April Shower, will also be watching Dora Lee, the pride of Bill Walsh of Wonder Palms, is wintering at The Stables.

The first event planned is a relay race. Those wishing to enter contact Ernie Andrade or Jim.

Way back in 1848 when the curiosity of Jim Marshall caused him to examine the yellow deposit in his mill race a new page of California history was begun. Before that time, life here was simple pioneer with a dash of Spanish. People rode horseback or traveled in wooden wheel Mexican ox-carts.

The discovery of gold brought the stage-coach to California. Later the Tally-ho made its way from England via Canada. Now in this supersonic age nostalgia for the pioneer ways brings people to the desert. They come once... they come again. From Portland Mr. and Mrs. June Jones, Mr. and Mrs. Edwin Thomas write the Ste. Wilden Arms they are coming back and want to go on the Tallyho again to another chuck wagon breakfast. There is a lot of such activity this week.

Be seeing you!
EVA CHANDLER.

for that fresher flavor children favor!

Change to Carnation FRESH MILK

Of course there's something special about the rich, fresh flavor of Carnation Fresh Milk! Children can taste the difference from the first sip. You can taste the difference. Carnation Fresh Milk tastes better because it's fresher.

That extra-rich, extra-fresh flavor comes from Carnation's own special method of guarding each precious drop as it speeds from selected Carnation farms to your neighborhood. More than fifty years of dairy experience is back of the Carnation way of rushing perfect milk to you...in perfect condition. Guaranteed fresh... day in, year out.

For the fresher flavor children favor...change to Carnation Fresh Milk.

Fine farms are chosen, herds inspected, With true Carnation care. "Carnation" stands for Quality—None finer anywhere!
